No. 236. Read the following letter from Colonel R. M. MACDONALD, Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 22nd May 1875, No. 1141:—

Adverting to G.O., Financial Department, No. 750, dated the 6th ultimo, I have the honor to annex a Statement giving the Building Grants to private schools, sanctioned but not paid. I should, however, mention that the sum in the Budget Estimate was not calculated with reference only to outstanding grants. There was reason to believe that payment of many of the above grants would not be applied for within the year; and as it was expected that applications would be received for other grants, though none had come in, the sum entered was a general one which it was considered would be enough to meet the demands of the year.
