FROM

THE HON. D. F. CARMICHAEL,
Officiating Chief Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I have the honor to forward, for the sanction of the Government of India, an application from the Acting Collector of Trichinopoly for the deposit, in the Government Savings Bank, of a sum of about Rupees 3,500, being the amount of subscriptions raised by certain inhabitants in that district for the construction of an irrigation channel.

2. The amount, it will be seen, is now deposited in the Savings Bank in the names of the Executive Engineer and Collector, but the local Accountant-General points out that, under recent instructions of the Comptroller-General, the two accounts must be treated as one, and that the sanction of the Government of India is necessary.

I have the honor to be,
Sir,
Your most obedient servant,

OOTACAMUND,
2nd June 1875.

Officiating Chief Secretary.

From H. SEWELL, Esq., Acting Collector of Trichinopoly, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Trichinopoly, 15th May 1875, No. 23.

The inhabitants of Vengur and its neighbourhood in the Trichinopoly taluq having subscribed Rupees 3,486-4-9 towards the construction of a new irrigation channel to their village and paid in the money, the amount has, in anticipation of sanction of Government, been deposited in the Savings Bank here, as shown in the margin.

Rupees 2,500 in the name of Mr. G. D. Wybrow, Officer in charge of No. 1 Range, Trichinopoly.
Rupees 986-4-9 in the name of the Collector for the time being.

2. The amount being in excess of Rupees 500 in each case, I have the honor to request that the sanction of Government may be obtained as required in paragraph 4 of the Savings Banks Revised Rules of 1874.

Referred to the Accountant-General for report.

OOTACAMUND,

MEMORANDUM.

The undersigned has the honor to report that the contribution of the inhabitants of Vengur and its neighbourhood in the Trichinopoly taluq towards the construction of a new irrigation channel to their village may be received in the Savings Bank in excess of Rupees 500 if the Government specially sanction the same.

2. As, however, the aggregate amount of the two accounts which are for one and the same purpose, in the present instance, exceeds Rupees 3,000, the sanction of the Government of India appears to be necessary, the Comptroller-General having recently stated that a Contractor who has more than one contract can be allowed to deposit only up to the maximum of Rupees 3,000 in all on account of his security, and not Rupees 3,000 for each of his contracts. In the present case, the work for which the contribution has been made stands, in the opinion of this office, in the place of the Contractor.
