Police—Leave and Allowances.

Read the following papers:—

No. 10. From J. A. BOURDILLON, Esq., Officiating Under Secretary to the Government of India, Financial Department, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Simla, 30th April 1875, No. 444.

Leave and Allowances.

The Governor-General in Council proposes to substitute the following amended Exception under Section 1 (*b*) of Supplement F, to the Civil Leave Code:—

"*Exception.*—An officer whose service is classed as inferior in the Civil Pension Code while sick in hospital or receiving medical aid as an out-door patient, at the station at which he serves, or at the head-quarters of the district in which he serves, may be allowed leave of absence on half pay for a period not exceeding six months, without the restriction contained in this rule, *viz.*, that no cost shall be imposed on the State; provided that such leave shall not be repeated for six months after the officer returns to duty, and that not more than six months such leave shall be given in any one period of three years. Full pay may be allowed to a guard employed on the Inland Customs line for the first month of such leave, but only once in a year, save with the special sanction of the local Government, which should be given only when the officer has been posted in a notoriously unhealthy district."

2. The rule in this exception does not, however, apply to Police Constables, who are entitled to leave as follows:—

(*a*).—If they are serving for pension under the rules of one of the extinct superannuation funds—

Under the rules which operated before such fund was abolished.

(*b*).—Otherwise—

Under the general rules contained in Supplement F.

But a Police Constable in the Bombay Presidency and in the Central Provinces who is sick in hospital may be allowed full pay for one month but only once a year, except with the special sanction of the local Government, which should be given only when the officer has been posted in a notoriously unhealthy district.

3. Before publishing the amended exception, I am directed to inquire whether the rule contained therein in respect to guards employed on the Inland Customs line might not be applied to all Police Constables excepting those who are subject to the rules of the late Police Superannuation Funds.

No. 11. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Ootacamund, dated Ootacamund, 24th May 1875, No. 2598.

With reference to endorsement, dated 12th May 1875 on letter No. 444, from the Under Secretary to the Government of India (herewith returned), I have the honor to state that if it is proposed to cut the pay of Police Constables who remain more than a month in hospital, I think such a rule will operate very hardly. The notoriously unhealthy tracts in this Presidency are very numerous and there are few districts in which the men do not suffer much from fever aggravated by hard work and exposure. I think, therefore, that when they fall sick they should be treated liberally. To obtain the special sanction of Government to pass full pay for one month for all men who exceed that period in hospital more than once in a year would be a source of serious inconvenience, and it would be hard upon men suffering from tedious illness brought on by bad fever that they should lose pay after a month. Sick leave for long periods is very uncommon as the District Police Forces are chiefly composed of local men.

No. 12. To the Secretary to the Government of India, Financial Department, dated Ootacamund, 2nd June 1875, No. 1188.

With reference to your No. 444, dated the 30th April 1875, I am directed to transmit copy of a letter* from the Inspector-General of Police, and to intimate that the Governor in Council concurs in the views expressed by that officer.
