Municipal—Bye-laws.

No. 38. Read the following letter from J. R. COCKERELL, Esq., President of the Municipal Commission, Ootacamund, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Ootacamund, 8th May 1875, No. 29 :—

I have the honor to submit, for favorable consideration and sanction, the following Resolution of the Commissioners of the Ootacamund Municipality passed at a meeting held on the 24th ultimo :—

" Resolved that the sanction of Government be requested to the following addition to Bye-law No. 22 :—

For any bag of the following grains brought into market otherwise than in bandies, a fee of 2 Annas per bag :—

Rice.	Cholum.
Paddy.	Wheat."
Horse-gram.	

Bye-law 22 runs—

Parties bringing produce to the weekly market shall pay tolls as follows :—

	RS.	A.	P.
Bandy-load	0	8	0
Bullock-load	0	1	0
Pony-load	0	1	0
Ass-	0	0	6
Head- ,, ...	0	0	3

2. The market tolls are leased. The contractor finds that, in order to evade the bandy-load toll, parties unload the bandies outside the market and carry the grain in by coolies. A bandy carries six bags of grain, and one of these bags can be lifted by a cooly; the consequence is the load enters the market for 1½ Annas, and the contractor, whose calculations were based on the tariff shown in the bye-law, is put to a considerable loss, of which he complains.

No. 39. ORDER THEREON, 3rd June 1875, No. 1204.

The Governor in Council questions the propriety of the proposed bye-law, which is, in effect, a penalty on the use of any other mode of carriage to market than by cart.

2. The fee on a cart-load of six bags is 8 Annas. The Commissioners propose to charge 2 Annas a bag on every bag of grain specified, brought to market otherwise than by cart, or 12 Annas for six bags instead of 8 Annas.

3. The rate per bag should be the same, however brought, and the bag ought to be of a defined weight.
