Read the following papers:—

No. 46. From Colonel R. M. MACDONALD, Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 17th May 1875, No. 1098.

I have the honor, in submitting the accompanying Proceedings of the Board of Revenue, No. 894, of the 12th ultimo, to state that the only point on which it seems necessary for me to make any remark is the proposal to employ Mr. Mahomed Ali in examining certain Mahomedan Schools for results grants, which is referred to by the Board of Revenue and which has been already noticed in G.O., No. 581, of the 15th March 1875, and No. 770 of the 7th April 1875. The President states in his letter, No. 387, of the 25th March 1875, that this arrangement was made at the instance and with the approval of the Inspecting authorities. Mr. Caldwell informs me, however, that he was wholly unaware that any such arrangement had been made until he received from me a copy of G.O., No. 770, of the 7th April, and his remarks on the subject are as follow:—

"I have the honor to submit that this arrangement was not made with my cognizance, but as I learned on inquiry on the suggestion of the Deputy Inspector of the Circle.

"Without any desire to raise objection to the particular arrangement above referred to, I would submit that it is, in my opinion, open to objection on principle that such arrangements should be come to without reference to this Department; I may observe that the bills for results grants being payable on the signature of the Director of Public Instruction, it can scarcely be considered to be desirable that such grants should be passed under arrangements which have not received that Officer's previous sanction.

"I have brought the matter in this point of view to the Deputy Inspector's attention, and I trust that he will not again make such suggestions without a previous reference."

The Deputy Inspector has not yet replied to Mr. Caldwell's call for information on the subject, but Mr. Caldwell understands that Mr. Mahomed Ali has recently been moved from the Oossoor Circle, and presumes therefore that the arrangement is now at an end.

No. 46-A. Proceedings of the Board of Revenue, dated 12th April 1875, No. 894.

Read the following letters:—

From C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 11th March 1875, No. 309.

In reference to paragraph 21 of Board's Proceedings, No. 3,424, dated 26th November 1874, I have the honor to report that the several Mahomedan Schools, specified in Statement III.-B of the Oossoor Circle Budget for the ensuing official year, are purely Local Fund Schools managed on the same system as the other Local Fund Schools mentioned in

Palcode. Dharampuri.
Oossoor. Krishnagiri.

Statements III. and III.-A., and that as such they should be included in modified Statement III. The Mahomedan School at Palcode has been amalgamated with the Anglo-Vernacular School there, and consequently it need not be entered in the statement as a separate school. The Vice-President reports that, under the arrangements recently made, these Hindustani Schools are also to receive Results grants in addition to fixed salaries like the other Local Fund Schools. The revised Statement III. for these, as well as the other schools, received from the Vice-President of Oossoor, has been forwarded for the Board's information.

2. Referring to paragraph 20, I beg to state that the school at Indoor was first started as a school on the Grant-in-aid system, and the grant was sanctioned by Board in Proceedings, Miscellaneous No. 6,470, dated 18th September 1874. It has since been proposed to convert it into a Local Fund School, entirely paid from Local Funds.

3. A copy of Local Fund Board's Proceedings on the subject is herewith submitted for the information of Board of Revenue.

Enclosure No. 1.—Revised Statement III. showing Receipts and Charges of Local Fund Schools in Oossoor Circle for 1875-76.

Enclosure No. 2.—Extract from Proceedings of Local Fund Board.

From C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 15th March 1875, No. 347.

In reply to Board's Proceedings, No. 495, dated 2nd instant, I have the honor to state that the sum of Rupees 10-8-0, referred to in paragraph 5 of my letter embodied in it, is the total sum which the Local Fund Board of Oossoor passed for the three months from January to March 1875; that the whole of the salary, *viz.*, Rupees 7, and not Rupees 3-8-0 (as the Director of Public Instruction seems to think) is to be paid from Local Funds, and that the teacher is to be entirely a servant of the Local Fund Board under their direct control. This arrangement was made, as the school under private management was in an unsatisfactory condition, and, as it was supposed that by its transfer to Local Fund Board, it would be placed on a better footing. The Mahomedan inhabitants of the village of Beriki, who had hitherto kept up the school from subscription, offered to continue these subscriptions and to credit them to Local Funds. They are not to be paid direct to the teacher as supposed by the Director of Public Instruction. The sum for which the sanction is required is Rupees 21. I mentioned in paragraph 5 that if the local subscriptions, which amounted to Rupees 3-8-0 per mensem, were deducted from the salary, Rupees 7, the net sum, which the Local Fund Board would have to pay from their General Fund, would be Rupees 3-8-0 per mensem, or Rupees 10-8-0 for three months. The resolution of the Local Fund Board by which the Director of Public Instruction seems to have been guided is not correct.

2. I request an early sanction, as the teacher is left unpaid for two months.

Submitted to Government, through the Director of Public Instruction, with reference to G.O., Financial Department, dated 22nd January 1875, No. 102.

2. In the Budget for the Oossoor Circle sanctioned in that Order provision was made for Salary grants, aggregating Rupees 390, for certain Mahomedan Schools at the places noted in the margin, and the entries were passed subject to explanation.

| | |
|---|---|
| Palcode. | Krishnagiri. |
| Oossoor. | Dharampuri. |

3. It is now stated that the intention of the Local Board is to amalgamate the first two with the Local Fund Schools at the same places, and to take over the other two as Local Fund Schools on the combined system. The second letter contains proposals for similarly amalgamating the Mahomedan School at Beriki with the Local Fund School at that place. A revised Statement III. is submitted in lieu of that already printed.

4. The financial effect is as follows:—

| | As per Budget including Salary Grants. | As per Revised Statement III. |
|---|---|---|
| | Rs. | Rs. |
| Palcode ... ... ... ... ... | 531 | 692 |
| Oossoor ... ... ... ... ... | 372 | 382 |
| Krishnagiri... ... ... ... ... | 97 | 188 |
| Dharampuri ... ... ... ... | 99 | 188 |
| Beriki... ... ... ... ... ... | 267 | 371 |
| Total ... | 1,366 | 1,821 |

involving an increase of charge of Rupees 455 per annum which can be met from the General Fund balance. There is an increase of Rupees 95 in the school fees. The sanction of Government is requested for the establishment of the two new Local Fund Schools at Krishnagiri and Dharampuri. Payment of the arrears, Rupees 21, due to the Hindustani teacher at Beriki from 1st January last, is sanctioned.

5. The Board observe from the statement that the charges of the school at Mallapudi are raised from Rupees 244 to Rupees 368; but no explanation is given. The increase is due to the employment of an additional master. If any change similar to that at Beriki is contemplated, it should be reported for sanction. If the inhabitants of Beriki are to continue their contributions, the amount should be shown in the Statement III., but this has not been done.

6. The Local Board in their resolution have thanked a Mr. Mahomed Ali, who expressed his willingness to examine the schools for Result grants. The President will remind the Board that Result grants can only be allowed on the certificate of the authorized officers of the Educational Department.

No. 46-B. Proceedings of the Board of Revenue, dated 27th May 1875, No. 4652 (Miscellaneous).

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Salem, 15th March 1875, No. 335:—

In continuation of my letter, No. 309, dated 11th instant, and with reference to the resolution of the Local Fund Board of Oossoor, dated 18th ultimo, forwarded therewith, I have the honor to request that the Board of Revenue will be good enough to sanction an increase of Rupees 969 to Grant II.-C, as noted in the margin, to meet the extra charges on account of Local Fund Schools in that Circle.

2. From a comparison of the revised Statement III., submitted with my letter above quoted with that embodied in the printed Budget, the Board will observe that the expenditure in connection with the marginal schools has been increased by Rupees 593 which is due to the amalgamation of the Mahomedan Schools in those places with these schools; and that two new schools, *viz.*, Krishnagiri and Dharampuri, have been added to the list. There is a sum of Rupees 390 entered against salary grants in Grant II. which, owing to the transfer of schools entered in Statement III.-A to III, is not now required, and may therefore be appropriated to II.-C, Local Fund Schools, leaving Rupees 579 to be allotted from the General Reserve.

To

THE ACTING CHIEF SECRETARY TO GOVERNMENT.
*Fort Saint George.*

SIR,

I have the honor in submitting the accompanying Proceedings of the Board of Revenue, No. 894 of the 12th ~~instant~~ ultimo, to state that the only point on which it seems necessary for me to make any remark is the proposal to employ Mr. Mahomed Ali in examining certain Mahomedan Schools for results grants, which is referred to by the Board of Revenue and which has been already noticed in Government Order, No. 581 of the 15th March 1875 and No. 770 of the 7th April 1875. The President states in his letter No. 387 of the 25th March 1875 that this arrangement was made at the instance and with the approval of the Inspecting authorities. Mr. Caldwell informs me however that he was wholly unaware that any such arrangement had been made until he received from me a copy of Government Order No. 770 of the 7th April and his remarks on the subject are as follow :—

"I have the honor to submit that this arrangement was not made with my cognizance but as I learned on enquiry on the suggestion of the Deputy Inspector of the Circle."

"Without any desire to raise objection to the particular arrangement above referred to, I would submit that it is in my opinion open to objection on principle that such arrangements should be come to without reference to this Department ; I may observe that the bills for results grants being payable on the signature of the Director of Public Instruction, it can scarcely be considered to be desirable that such grants should be passed under arrangements which have not received that Officer's previous sanction."

"I have brought the matter in this point of view to the Deputy Inspector's attention and I trust that he will not again make such suggestions without a previous reference." The Deputy Inspector has not yet replied to Mr. Caldwell's call for information on the subject, but Mr. Caldwell understands that Mr. Mahomed Ali has recently been moved from the Oossor Circle and presumes therefore that the arrangement is now at an end.

Office of the Director of Public Instruction,

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th April 1875.

Read the following letters :—

From C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 11th March 1875, No. 309.

IN reference to paragraph 21 of Board's Proceedings, No. 3,424, dated 26th November 1874, I have the honor to report that the several Mahomedan Schools, specified in Statement III.-B. of the Oossoor Circle Budget for the ensuing official year, are purely Local Fund Schools managed on the same system as the other Local Fund Schools mentioned in Statements III. and III.-A., and that as such they should be included in modified Statement III. The Mahomedan School at Palcode has been amalgamated with the Anglo-Vernacular School there, and consequently it need not be entered in the statement as a separate school. The Vice-President reports that, under the arrangements recently made, these Hindustani Schools are also to receive Results grants in addition to fixed salaries like the other Local Fund Schools. The revised Statement III. for these, as well as the other schools, received from the Vice-President of Oossoor, has been forwarded for the Board's information.

2. Referring to paragraph 20, I beg to state that the school at Indoor was first started as a school on the Grant-in-aid system, and the grant was sanctioned by Board in Proceedings, Miscellaneous No. 6,470, dated 18th September 1874. It has since been proposed to convert it into a Local Fund School, entirely paid from Local Funds.

3. A copy of Local Fund Board's Proceedings on the subject is herewith submitted for the information of Board of Revenue.

ENCLOSURE No. 2.—Extract from Proceedings of Local Fund Board.

From C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 15th March 1875, No. 347.

IN reply to Board's Proceedings, No. 495, dated 2nd instant, I have the honor to state that the sum of Rupees 10-8-0, referred to in paragraph 5 of my letter embodied in it, is the total sum which the Local Fund Board of Oossoor passed for the three months from January to March 1875; that the whole of the salary, *viz.*, Rupees 7, and not Rupees 3-8-0 (as the Director of Public Instruction seems to think) is to be paid from Local Funds, and that the teacher is to be entirely a servant of the Local Fund Board under their direct control. This arrangement was made, as the school under private management was in an unsatisfactory condition, and, as it was supposed that by its transfer to Local Fund Board, it

would be placed on a better footing. The Mahomedan inhabitants of the village of Beriki, who had hitherto kept up the school from subscription, offered to continue these subscriptions and to credit them to Local Funds. They are not to be paid direct to the teacher as supposed by the Director of Public Instruction. The sum for which the sanction is required is Rupees 21. I mentioned in paragraph 5 that if the local subscriptions, which amounted to Rupees 3-8-0 per mensem, were deducted from the salary, Rupees 7, the net sum, which the Local Fund Board would have to pay from their General Fund, would be Rupees 3-8-0 per mensem, or Rupees 10-8-0 for three months. The resolution of the Local Fund Board by which the Director of Public Instruction seems to have been guided is not correct.

2. I request an early sanction, as the teacher is left unpaid for two months.

SUBMITTED to Government, through the Director of Public Instruction, with reference to G. O., Financial Department, dated 22nd January 1875, No. 102.

2. In the Budget for the Oossoor Circle sanctioned in that Order provision was made for Salary grants, aggregating Rupees 390, for certain Mahomedan Schools at the places noted in the margin, and the entries were passed subject to explanation.

Palcode. Krishnagiri.
Oossoor. Dharampuri.

3. It is now stated that the intention of the Local Board is to amalgamate the first two with the Local Fund Schools at the same places, and to take over the other two as Local Fund Schools on the combined system. The second letter contains proposals for similarly amalgamating the Mahomedan School at Beriki with the Local Fund School at that place. A revised Statement III. is submitted in lieu of that already printed.

4. The financial effect is as follows:—

| | As per Budget including Salary Grants. | As per Revised Statement III. |
|---|---|---|
| | RS. | RS. |
| Palcode ... ... ... ... ... | 531 | 692 |
| Oossoor ... ... ... ... ... | 372 | 382 |

involving an increase of charge of Rupees 455 per annum which can be met from the General Fund balance. There is an increase of Rupees 95 in the school fees. The sanction of Government is requested for the establishment of the two new Local Fund Schools at Krishnagiri and Dharampuri. Payment of the arrears, Rupees 21, due to the Hindustani teacher at Beriki from 1st January last, is sanctioned.

5. The Board observe from the statement that the charges of the school at Mallapudi are raised from Rupees 244 to Rupees 368; but no explanation is given. The increase is due to the employment of an additional master. If any charge similar to that at Beriki is contemplated, it should be reported for sanction. If the inhabitants of Beriki are to continue their contributions, the amount should be shown in the Statement III., but this has not been done.

6. The Local Board in their resolution have thanked a Mr. Mahomed Ali, who expressed his willingness to examine the schools for Result grants. The President will remind the Board that Result grants can only be allowed on the certificate of the authorized officers of the Educational Department.
