Read again Board's Proceedings, dated 3rd August 1874, No. 2,056.

Read also the following letters:—

From H. S. THOMAS, Esq., President of the Local Fund Board, Canara Circle, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 16th September 1874, No. 686.

In their Proceedings, dated the 3rd August 1874, No. 2,056, reviewing the list of Incomplete Works of this Circle for the current year, the Board of Revenue disallowed this Board's proposal to appropriate Rupees 12,060 from the unspent balance of the General Fund, and sanctioned that sum out of the Road Fund Reserve, of which Rupees 12,500 were available at the time.

2. This arrangement having left only a balance of Rupees 440 in the Reserve, the sum of Rupees 640, since sanctioned from this source in the Revenue Board's Proceedings, dated the 28th August 1874, Miscellaneous No. 5,935, on account of repairing the Watay Halla timber bridge on the Agoomby road, is in excess of the amount available in the Reserve by Rupees 200.

3. Besides this a sum of Rupees 4,600 has to be provided for repairing the Needgul timber bridge, the estimate for which has been forwarded to Government with the Revenue Board's Proceedings, dated the 5th August 1874, No. 2,100.

4. No funds being now available from the Road Fund Reserve, the cost of the Needgul bridge, the deficiency of Rupees 200 above pointed out, as well as other emergencies frequently arising in the course of the year, will have to be met only by transfer from the unused balance of the General Fund.

5. As such appropriations, however, require the sanction of Government and are inconvenient, I have the honor to request that the Board of Revenue will be pleased to reconsider this Board's proposal to appropriate the sum of Rs. 12,060 for incomplete works from the General Fund balance, and thus leave the Reserve free for disposal by the Board of Revenue without troubling Government as occasions arise for it from time to time.

From A. McC. WEBSTER, Esq., Acting President, Local Fund Board, Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 9th November 1874, No. 822.

With reference to paragraph 2 of the Proceedings of the Board of Revenue, dated the 25th September 1874, No. 6,678, Miscellaneous, requesting me to point out a source from which the Rupees 4,600 required to complete the repairs to the Needgul timber bridge, sanctioned in G.O., dated 1st September 1874, No. 1,457, Financial Department, may be met, I have the honor, by desire of the Local Fund Board of this Circle (a copy of whose Resolution, dated the 4th instant, is enclosed), to refer the Board of Revenue to the late President's letter, No. 686 of the 16th September 1874. If the proposal therein submitted, viz., of taking Rupees 12,060

from the General Fund balance for incomplete works be sanctioned, an equal sum will be set free from the Road Fund Reserve, from which the amount now required for the work in question can be provided.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

The Board resolve to recommend Government to allow the transfer to the Road Fund of Rupees 12,060 from the unspent balance of the General Fund of the South Canara Circle.

2. The damage noticed in G.O., dated 7th July 1874, No. 1,808, Public Works Department, has caused heavy charges to fall on the Road Fund. The fund is poor under the circumstances set forth in Board's Proceedings, dated 13th November 1874, No. 3,262. The Local Fund Board are, as Government are aware, active in the cause of education and have assigned a sufficient allotment to it in the current year's Budget.
