No. 76. Read the following Proceedings of the Government of India in the Financial Department (Accounts), dated Simla, 25th May 1875, No. 882 :—

Read the following despatch from Her Majesty's Secretary of State for India, to the Government of India, dated 24th March 1875, No. 152 :—

I have considered in Council your Financial letter, dated the 29th January last, No. 40, stating that the intention expressed in paragraph 5 of the Financial despatch to your Government, dated the 4th January 1872, quoted in the margin, had not been carried out in the cases of the Artificers engaged to superintend and assist in putting together the steamers and barges sent out for famine relief purposes, as the pay of the Artificers in question was stated in pounds sterling, and no provision was made as to the rate of exchange at which any payments which might be necessary in India should be calculated.

> "In all future agreements with Engineers and others on their proceeding to India their salaries will be stated in rupees, and provision will be made for the payment of their furlough allowances and pensions under those agreements at the variable rate of exchange."

2. You state that, in consequence of this omission, some inconvenience had been experienced in adjusting their pay, and you request that orders may be given that in all future agreements with Engineers and others proceeding to India their pay may be stated in rupees.

3. In accordance with the request of your Government I have issued instructions that in all future agreements with Engineers engaged for service in India, whether temporarily or otherwise, the salary or pay shall be stated in rupees, and that provision shall be made that any payments in this country under such agreements shall be made at the rate annually fixed for the adjustment of transactions between the Indian and Imperial exchequers.

ORDER.—Ordered that the foregoing despatch be communicated to the several departments of the Government of India, to the Governments of Madras and Bombay, to the Comptroller-General, and to the several Accountants-General and Deputy Accountants-General in independent charge.
