Proceedings of the Madras Government, Financial Department,
11th June 1875.

Local Funds—Education.

No. 127. Read the following Proceedings of the Board of Revenue, dated 10th May 1875, No. 1212:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to E. B. POWELL, Esq., M.A., C.S I., Director of Public Instruction, dated Ramandroog, 20th March 1875, No. 381, forwarded to Board with the Director's Memorandum, dated 24th March 1875:—

I HAVE the honor to request that the arrangements proposed by the Local Fund Board of the Bellary Circle, in their Resolution, No. 14, of 10th March 1875 (copy of which accompanies), for the restoration of the Kamply Local Fund School may be submitted for the sanction of Government.

2. The attempt of the Circle Board to improve the school by teaching therein Canarese only has hitherto proved a failure. There were twenty-seven boys in the school about a month ago, and the number has now dwindled down to three. This sudden fall is ascribed to the schoolmaster having been strictly prohibited from teaching English and Telugu, which he seems to have been doing contrary to the orders of the Local Fund Board.

3. The inhabitants of the town do not seem to appreciate the learning acquired by their children at the Local Fund School, being quite satisfied with what is taught in the pial schools. Since the introduction of the Canarese language alone, some forty of the inhabitants, consisting, for the most part, of Brahmins and officials, have applied more than once to the Circle Board for the reintroduction of Telugu and English, but the Board have declined to do this as their province extends to the maintenance of purely elementary education.

4. It is on the consideration of these circumstances that the Local Fund Board, before making any attempt to close the school, have resolved to give it a [illegible] trial, by which the pay of the schoolmaster has been reduced to 10 Rupees a-mon[illegible] supplemented by a capitation fee at half a Rupee a-head.

Extract from Proceedings of the Local Fund Board, Bellary Circle, dated 10th March 1875.

RESOLUTION No. 14. [illegible]on of the inhabitants of Kamply, praying that English and Telugu may again be [illegible]eir school.

Read also Arzi No. [illegible] resident of the Kamply School, stating that the number of boys has dwindled into three in consequence of the teaching of English and Telugu having been prohibited.

The Board refuse to sanction the introduction of English and Telugu into their school. For the present they resolve to reduce the Master's pay to Rupees 10, and to give him head money at half a Rupee a-head for each pupil.

Collector and President.

SUBMITTED to Government with reference to G.O., 6th March 1875, No. 516, and 26th February 1875, No. 446.

2. The Board are of opinion that if the school does not succeed on the present basis in three months it should be closed, and attempt made to bring one of the pial schools, which are preferred by the people, under the combined system of fixed salary and results grants.

No. 128. ORDER THEREON, 11th June 1875, No. 1267.

The Government have no objection to the Board's proposal; but they consider that a concession in favor of instruction in Telugu may be made with advantage, it being the vernacular of the district quite as much as Canarese.

4. It is on the consideration of these circumstances, that the Local Fund Board, before making any attempt to close the school, have resolved to give it another trial, by which the pay of the schoolmaster has been reduced to 10 Rupees a-month, to be supplemented by a capitation fee at ½ Rupee a-head.

Kamply is a large town with nearly 10,000 inhabitants where education of a higher standard is required. Where the people have emphatically commenced the action of the L & Bd. is emphatically indicated that by means of inducement & taking of closing the rival school to have & abetting a pial school instead.

I do not approve of the action of the Bd. & recommend reconsideration of it & of the wishes of the people so plainly indicated.

This is of course one of the towns which must not be extended.

The Govt. have no objection to the Board's proposal, such concession being made in favour of instruction in Telugu may be made with advantage, it being the Viceroy's wish to encourage Canarese.

They assume that the circumstances have changed to render it necessary to depart from the rule laid down by Govt. when sanctioning the Statement of Rent under the Ryotwary Rules, and that the Board are satisfied that the people would pay the 2-5/4 Rupees made with the Canarese.
