Local Funds—Tolls.

No. 140. Read the following Proceedings of the Board of Revenue, dated 16th March 1875, No. 627 :—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 10th February 1875, No. 150 :—

ADVERTING to G.O., dated 11th ultimo, No. 40, passing orders on the levy of tolls on through-traffic by Municipal and Local Fund Boards, and calling for proposals as to either dividing the proceeds of tolls between Municipalities and Local Fund Boards or transferring the management of tolls to the latter bodies, I have the honor to report that the subject was discussed at the last Local Fund Meeting, when the following resolution was passed :—

No. 32.—"The Local Fund Board are of opinion that no change is required in the management of the tolls. They have three tolls at different points on the Great Northern Road, at which they levy half the maximum rate. These tolls bring them in from Rupees 10,000 to Rupees 12,000 a-year. The Municipal Commissioners get about Rupees 5,000 a-year from their tolls, which is by no means an excessive sum. They also only levy half the maximum rate."

SUBMITTED to Government with reference to the Government Order quoted.

2. There being a Local Fund Toll at the Pennair Anicut as well as at Gudur, 25 miles to the south of Nellore on the Great Northern Road, the Local Board already gets its toll on the through-traffic, and the Board think that the existing state of things may be left undisturbed.
