Local Funds—Establishment.

No. 142. Read the following Proceedings of the Board of Revenue, dated 3rd June 1875, No. 4903 (Miscellaneous):—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 5th April 1875, No. 162:—

At the recommendation of the District Engineer, I recently appointed C. Shunmuga Mudelliar, Sub-Overseer, 3rd Grade, to act as Sub-Overseer, 1st Grade, and A. Balakistna Mudelliar, to act as Sub-Overseer, 3rd Grade, in the Chittoor Circle, the salary of the 1st Grade being Rupees 60, and that of the 3rd Rupees 20.

2. The full travelling allowance of both these appointments is available, but as the full pay is not, the subordinates in question are by the rules limited to Rupees 10 and 2½ respectively, being one-fourth of the salaries actually drawn by them.

3. The rule limiting the travelling allowance of Local Fund Subordinates to one-fourth of the salary actually drawn by them presses with special hardship on Shunmuga Mudelliar, whose duties are precisely similar to those of a Taluq Overseer on the Imperial Establishment; and as the full travelling allowance of both these appointments is, as I have already said, available, I have the honor to request that the Board will be pleased to obtain the sanction of Government to pass the full travelling allowance of Rupees 15 and 5, respectively, to Shunmuga Mudelliar and Balakistna Mudelliar.

4. The District Engineer, at whose instance I make this recommendation, remarks that the application of the terms Sub-Overseers to the former Local Fund Overseers and Maistries alike is very misleading, the difference between them being much more than one of mere grade, the former being really Overseers, while the latter are simply Maistries and nothing more.
