Read G.O., No. 698, dated 1st April 1875, communicating letter from the Director of Public Instruction, Madras, dated 18th March 1875, No. 590, suggesting the earlier inspection of schools which obtain results grants, and impressing on all examining officers the importance of the early submission of their inspection reports, and calling upon Presidents of all Local Fund Boards to submit any practical suggestions they may have to offer on the subject.
