From W. AUSTIN, Esq., Vice-President of the Local Fund Board, Ellore Circle, to W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, dated Chintalapudi, 5th May 1875, No. 85.

I have the honor to inform you that this Board has, at a meeting of the 26th April last, sanctioned the entertainment of five Peons on a monthly salary of Rupees 5 each for carrying various accounts, &c., to the Taluq and Postal Stations and to distribute salaries of the Schoolmasters of this Circle every month. The necessity for employing them is shown in the Deputy Inspector's letter, No. 65, of the 2nd April 1875, which is herewith sent.

2. I request, therefore, that you will be so good as to obtain the sanction of Government for their appointment, at one Peon to each of the five taluqs of this Circle.

From K. SANGIVA ROW, Deputy Inspector of Schools, Ellore Circle, to W. AUSTIN, Esq., Vice-President of the Local Fund Board of the Ellore Circle, dated Ellore, 2nd April 1875, No. 65.

I have the honor to state that I told you, at Tanuku, the Schoolmasters feel it very difficult to send their various accounts to the Taluq and Postal Stations on the present system. The village Vettians having many things to attend to, cannot regularly wait on the masters, and the masters too cannot find leisure to find out the village authorities to entrust them with their packets. At least two packets are received a month from every master, *viz.*, his monthly accounts and the fines and fees accounts.

2. The remedy I would suggest is that one Peon for each taluq on Rupees 5 per mensem be appointed. He will be required to visit all the schools in the taluq once a-week. By the time the Peons once leave the station and come back to it, the master will have his packets and everything ready for delivery. Again, if the Peon appointed be a native of the Casba, the salaries of the masters also can be sent through him. I therefore hope that you will consider the matter and lay it before the Board for their approval. The excess of Rupees 3 in the renting of all schools may be made to cover this expense.

Proceedings of the Madras Government, Financial Department,
24th June 1875.

Submitted for the orders of Government.

2. The Board do not consider the proposed Peons necessary. With the cooperation of the Revenue authorities arrangements can be made for sending the accounts to the Taluq Casbas with village remittances and for the payment of the masters either out of the village collections or by sending money by return Vettians. Such arrangements are made in other districts.
