No. 235. Read the following letter from R. B. CHAPMAN, Esq., Secretary to the Government of India, Financial Department, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Simla, 16th June 1875, No. 1330 :—

Pensions and Gratuities.

I am directed to acknowledge the receipt of your letter, No. 779, dated 7th April 1875, submitting, for consideration, copy of a letter from the Trustees of the Madras Civil Fund with copies of certain papers upon the subject of the financial condition of this Fund.

2. The Governor-General in Council has read these papers with interest, and I am to express His Excellency's cordial appreciation of the proceedings of the Madras Civil Service as honorable at once to their intelligence and their high principle. The Government of India has known for some time that there was a surplus in the Madras Civil Fund, far in excess of the requirements of the Fund and of the intentions of the Government; and though, in the accumulation of this surplus, injustice has been done to the revenues of India, the Governor-General in Council recognizes the rectitude of purpose which has throughout characterized the proceedings of the Madras Service.

3. The Government of India has no doubt that the Civil Servants of the Madras Presidency will offer no objection to such adjustment of the Fund as upon careful deliberation may appear equitable in the interests of the subscribers and necessary in the interests of the Exchequer to remedy the mistake that has been unwittingly made.

4. The Secretary of State in Council alone can decide upon the action to be now taken, and the Government of India will shortly refer the subject for his consideration; meanwhile, the Governor-General in Council desires that no extension of benefits may be made.
