Local Funds—Roads.

No. 23. Read the following Proceedings of the Board of Revenue, dated 21st June 1875, No. 1704:—

Read the following letter from H. Sr. A. GOODRICH, Esq., Acting President of the Local Fund Board, Vizagapatam Circle, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 31st May 1875, No. 970:—

At my request the District Engineer has been of late taking traffic returns on some of the important roads in the district, the charges incurred on this account being met from the maintenance grants to the roads concerned. These returns have ceased to be taken from 1st April last. While admitting the desirability of continuing to keep up these returns until the rains set in, the District Engineer reports that the charge weighs heavily on the repair grants to the roads, and suggests the employment of an establishment for two months at a monthly cost of Rupees 64 as noted in the margin.

Two Gumastahs on each of the following roads at 8 Rupees per mensem to each Gumastah, monthly Rupees 64:—
1. Road from Vizianagram to Chittivalsa.
2. Do. do. Ramabhadrapuram to Salur.
3. Do. do. Bobbily to Parvatipur.
4. Do. do. Palconda to Parvatipur.

2. The Local Fund Board of the Vizagapatam Circle have approved of the proposal, and I have the honor to request the Board will obtain the sanction of Government for the same. The charge of Rupees 128 may be met from the General Fund Reserve for 1875-76.

3. These returns are needed for the purposes of the inquiry now actively proceeding as to the prospects of a rail or tramway.

Submitted for the orders of Government.

2. The Board are of opinion, with reference to the object for which the traffic returns are taken, that the cost ought not to fall on Local Funds, and it does not appear that any Local Fund purpose will be served by it. At any rate it should be a charge not on the General but on the Road Fund.

No. 24. Order thereon, 6th July 1875, No. 1417.

As the Local Fund Board have approved the District Engineer's suggestion to employ an establishment for two months at a charge of Rupees 128 for the purpose of taking the "traffic returns," the Governor in Council sanctions the charge and directs that it be debited, as proposed by the Board, to the "Road Fund."
