Proceedings of the Madras Government, Financial Department,
6th July 1875.

Local Funds—Establishments.

No. 25. Read the following Proceedings of the Board of Revenue, dated 16th June 1875, No. 1637 :—

Read the following letter from R. J. MELVILLE, Esq., President of the Local Fund Boards, Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 27th May 1875, No. 68 :—

I HAVE the honor to forward, for the favorable consideration and early orders of Government, the following Resolution of the Chingleput Board, No. 29, dated 29th ultimo, wherein they request that, pending the settlement of the question of a separate agency for the execution of Local Fund Works, a special establishment, consisting of one Supervisor and two Overseers, to be paid out of the provision of Rupees 14,980 for Department Public Works supervision in the current year's Budget, may be sanctioned to look after the works in the Circle, which it seems are not progressing satisfactorily under the present arrangements :—

" Read G. O., No. 713, dated 2nd April 1875, directing that the question of the creation of a separate agency for the execution of Local Fund Works do lie over, pending the receipt of replies to the call for reports on the general question recently made by Government.

" Proposed by the Vice-President and seconded by Venkatramier, that the works of the Board are now suffering to a great extent from the weakness of the Department Public Works Establishment, as well as owing to its being burdened with useless Overseers of the old school hanging on for pension. They resolve therefore to request Government, pending the disposal of the above subject, to sanction out of the allotment of Rupees 14,980 for Department Public Works supervision in the current year's Budget—

" One Supervisor with Head Quarters at Conjeveram, and
" Two Overseers, one for Chingleput and the other for Madranticum.
" Carried unanimously."

SUBMITTED for the orders of Government.

2. The state of affairs as regards Local Fund Works in the district is known to Government, and they are in a position to decide whether they will sanction the exceptional measure now proposed.
