Money Order Department.

No. 46. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 22nd June 1875:—

Agreeably to the orders conveyed in the letter from the Financial Secretary to the Government of India, No. 5067, dated 18th August last, to the Comptroller-General, I have the honor to submit, for transmission to that Government, the following Report on the operations of the Money Order Department of this Presidency, during the official year 1874-75, with such remarks of the Local Government as the report may call for.

2. Attached to the Report will be found the following fifteen tabulated statements:—

I.—Summary of the transactions of each Agency.
II.—Statement of Orders issued.
III.—Statement of Orders paid.
IV.—Statement of First Commission realized.
V.—Statement of Second Commission realized.
VI.—Statement of Lapsed Orders.
VII.—Statement of Orders issued on other Governments.
VIII.—Statement of Orders paid on account of Government.
IX.—Statement of Orders outstanding on the 31st March 1875.
X.—Remittance Account.
XI.—Comparative Statement of Issues.
XII.—Comparative Statement of Payments.
XIII.—Profit and Loss Account.
XIV.—Statement of Overland Money Orders issued.
XV.—Statement of Overland Money Orders paid.

3. There were sixty-seven Agencies in working order at the commencement of the past financial year, to which no additions have since been made by the opening of new offices.

4. The following summarized statement contrasts the results of the past with those of the preceding year:—

	1873-74.				1874-75.			
	Number.	Amount.			Number.	Amount.		
		RS.	A.	P.		RS.	A.	P.
Number and amount of orders issued	27,518	10,95,819	8	0	26,214	9,32,145	2	0
Do. do. paid.	36,033	13,95,390	4	0	34,484	12,32,987	7	0
Number and amount of overland orders issued	647	34,798	8	3	634	33,853	3	8
Number and amount of overland orders paid	74	2,538	8	4	94	2,677	4	4
First Commission realized	.....	12,573	8	0	.....	10,948	8	0
Second do. do.	.....	153	0	6	... ..	145	2	0
Amount of lapsed orders	.....	283	15	0	.....	337	6	0
Charges	.....	6,761	10	8	.....	7,190	9	4
Profit	.....	6,285	0	7	.....	4,240	14	8

5. It will be seen from these figures that there has been a considerable decline in business during the past year, as compared with 1873-74, due, as it would appear, to the same causes which led to the unfavorable results noticed in last year's report. The falling off appears chiefly at the Chief Office, Madras, and, in a lesser degree, in the districts of Kurnool, Tinnevelly, Cuddapah, Kistna, Nellore, Bellary, and Trichinopoly.

6. There were 26,214 orders, aggregating Rupees 9,32,145-2-0 issued, and 34,484 orders and Rupees 12,32,987-7-0 paid during the past year, as against 27,518 orders amounting to Rupees 10,95,819-8-0 issued, and 36,033 orders and Rupees 13,95,390-4-0 paid in the preceding year, showing a decrease of 1,304 orders and Rupees 1,63,674-6-0 in issues, and 1,549 orders and Rs. 1,62,402-13-0 in payments in the year under report.

7. This large decrease in the amount of orders issued and paid may, in some measure, be accounted for to the fact of the average value of each order issued as well as paid being much less this year than in 1873-74. The average amount of each order issued and paid was, in 1873-74, Rupees 39-13-2 and Rupees 38-11-7, respectively, while that for the past year was Rupees 35-8-11 and Rupees 35-12-1, respectively.

8. There is a considerable decrease noticeable under orders drawn by the Offices in the Bengal Circle, as will be seen from a comparison of the figures for the two years under review:—

			RS.	A.	P.
1873-74 ...	11,095,	aggregating	5,24,758	6	0
1874-75 ...	9,931	,, ...	4,10,862	11	0
Decrease ...	1,164	orders and	1,13,895	11	0

It may be deduced from this that the decline in this part of the business was due to the stagnation of the foreign trade, and that there has been not much variable change in the local transactions.

9. At the Chief Office, Madras, there has been a decided reduction in transactions, as will appear from the following comparative statement:—

Years.	Number.	Amount issued.			Commission.			Number.	Amount paid.		
		RS.	A.	P.	RS.	A.	P.		RS.	A.	P.
1873-74	3,979	2,68,915	7	0	2,875	10	0	16,283	5,25,218	4	0
1874-75	2,799	1,43,372	14	0	1,602	8	0	15,245	4,35,332	10	0
Total ...	1,180	1,25,542	9	0	1,273	2	0	1,038	89,885	10	0

It will be apparent from this that out of a total decrease of 1,304 in the number and Rupees 1,63,674-6-0 in the amount of orders issued, and 1,549 and Rupees 1,62,402-13-0 in payments, 1,180 for Rupees 1,25,542-9-0, and 1,038 for Rupees 89,885-10-0 from the reduction at the Chief Office, Madras.

10. The causes which have tended to produce these results were the general depression of trade; the reduced demand for remittances to the Northern Ports and Hyderabad for the purchase of rice and leather, in which commodities a

considerable business was done by the office in previous years; and the resort made to small Currency Notes by the public for remittance purposes.

11. The diminished transactions at the Mofussil will be best explained by a perusal of the following *resumé* of the opinions expressed in their reports by some of the Collectors:—

The Collector of Kurnool reports: "As compared with the last year, the receipts as well as payments show a decrease," which he attributes "partly to the dullness of trade, but chiefly to the circulation of Currency Notes."

The Collector of Tinnevelly observes that "The decrease in the Inland Money Order transactions is owing to a larger circulation of Currency Notes." The decline in business at the Huzur Office has not been very considerable as regards the number of orders issued and paid, as the figures "represent decreases of ninety-seven and seventy-seven orders" only issued and paid, "as compared with the results of the previous year."

The Collector of Coimbatore notices a slight reduction of seventy-seven orders in issues, which he is of opinion was due "to the increased circulation of Five-Rupee Notes in the district, which are found very convenient as a method of remittance." There is, however, an apparent increase in the payments which is accounted for chiefly "to a man advertising a large lottery here, which subsequently broke down, and is quite of an exceptional character." The Collector considers that "the system is working steadily," and that it "calls for no special remark."

The Collector of Malabar remarks that there have been increases in some offices and a decline in others, but that on the aggregate the comparison is favorable, showing "an increase of Rupees 12,128" over the preceding year. He believes that there has been fair progress during the year, and that the system "appears to be more satisfactory than that of last year."

A fair improvement is reported by the Collector of Godavery upon orders discharged in his district, which were principally from Rangoon, owing "to coolies returning from thence preferring Money Orders, as being more safe than bringing back their earnings in coin." There has been, however, a corresponding decline in payments, and this is attributed "to Currency Notes being used more freely for remittances."

The Resident in Travancore states:—

"It will be noticed that there is an increase on the orders issued by Rupees 5,055-12-0 due to larger issues on Bangalore, Benares, Bombay, and Chief Office, and a decrease on the orders paid by Rupees 1,767-12-0 due to lesser payments on account of Bombay." From a comparison of the transactions of the Agency for the past five years, the Resident is induced to think that there has been "ordinary work" done during the past year, "no special causes having been in operation during the year which were likely to give rise to any large or exceptional increase in the work."

The Collector of Cuddapah reports favorably upon the transactions at the Maddenapully Office, but a further retrograde movement in the business of the Cuddapah Office, noticed in his report for last year. In alluding to the latter he observes: "This falling off in issues year after year is attributable to the

numerous facilities which the merchants in Cuddapah have for remitting money, making it unnecessary for them to apply to the Money Order Office."

The chief causes of decrease in the orders issued and paid in the Kistna District during the year is reported by the Collector to be due to the "free encashment of Currency Notes in the Government Treasuries and the diminished inland trade." The large decrease in payments "occurs in the orders issued from Bolarum on the Masulipatam Office," the drawings upon which latter have fallen off during the year. The decrease in the number of orders issued, however, is slight.

The Assistant Commissioner of the Nilgiris, in reporting upon the business transacted at the Ootacamund Office, says :—

"It will be observed that, whilst the payments have remained much the same as regards the number of orders paid, the number of orders issued has increased by 44·4 per cent." ** "It is to be observed that the popularity of the Money Order System is increasing, as it becomes generally known. There can be no question that the institution is a great boon to the poorer classes, Europeans as well as Natives."

The Collector of South Arcot remarks that "the aggregate number of Money Orders issued and paid during the year by all the offices including that at the Huzur Station" shows "an increase in the number of orders issued as compared with 1873-74, but a decrease in their value," to which no cause is assigned.

There is an increase observable in the drawings of the Salem Collectorate, and a great falling off in the amount of orders discharged during the past year, although the number is the same in both years, which is accounted for by the Collector to "the introduction of small Currency Notes" which "interfered with the operations of the department, but people are beginning to see the greater safety of remitting sums by Money Orders, and it is not unlikely that the demand will go on increasing. As the scale of commission is the same for all amounts, persons who would not care to spend a few Annas for a small order, would, when obliged to send large sums, naturally resort to other modes of remittance, which might afford them greater facilities and subject them to less expense."

The Collector of Vizagapatam notices a decline in the orders issued at Vizagapatam, Vizianagram, Parvattipur, and Koraput, and increases in those paid at all but the office at Koraput, where the decrease is said to be "trifling." The largest remittances is observed to be "from Rangoon and Moulmein, from whence emigrants from this district correspond with their friends, and to which places ghee, cigars, &c., are largely exported."

The Deputy Collector, North Arcot, reports "marked increase" in the receipts of the Huzur Treasury at Chittoor, but a decrease in the amount of the payments. "The figures given for the local Treasuries of Vellore and Palmanair exhibit certain variations of increase and decrease when compared with those of the previous year." *** "I am of opinion that the business of the Inland Money Order System has been very satisfactory."

The decrease in the Nellore District is attributed by the Collector "to the large and increased use of Currency Notes for the purpose of remittances."

Proceedings of the Madras Government, Financial Department,
8th July 1875.

The Collector of Bellary makes no observation as to the causes of decline in the business transacted by the offices in his district, but reports that "the duties of issuing and paying Money Orders were conducted during the year under report by the Officers in charge of Treasuries."

The Collector of Tanjore reports at length upon the causes which have retarded the advancement of the Money Order System; the following extract, however, will suffice for the purposes of this report:—

"It will be observed that, in spite of adverse circumstances, the Money Order System has, in the year under report, struggled a little step in the direction of improvement." He further remarks that "This system might be popular but for the high rate of commission charged on Money Orders."

12. The income of the department during the year under report, owing to the causes above enumerated, has considerably declined. The amount of first commission realized shows a decrease of Rupees 1,625, the greater portion of which appears against the Chief Office, Madras; the fees collected by that Office in 1873-74 being Rupees 2,875-10-0, and that during the year under report Rupees 1,602-8-0. Eliminating these figures from the totals of commission for the two years under review, we arrive at Rupees 9,697-14-0 for 1873-74 and Rupees 9,346 for 1874-75, which represent the relative income of the department at the Mofussil Offices.

13. The cost of maintaining the department during the year, including charges for the purchase of Service Labels, Postal, and Contingent Charges, amounted, as will be seen from the Profit and Loss Account, Appendix XIII., to Rupees 5,958-14-6, to which must be added an extraordinary charge of Rupees 267-1-10, debited to the department for seals executed by the Public Works Workshops here for the use of the Mofussil Offices, and Rupees 964-9-0 being contribution of 25 per cent. on cost of Superior, and 12 per cent. on that of Inferior Establishments, provided for defraying charges for pensions, &c., of the department—(*vide* Resolution of the Government of India, dated 6th December 1873). Deducting these items from the total fees realized, there is left a net sum of Rupees 4,240-14-8 in favor of the department, against Rupees 6,285-0-7 in the preceding year.

14. There is nothing particularly noticeable in the results of the Overland Money Order transactions during the past year, beyond a slight decrease in the issues of thirteen orders and Rupees 945-4-7, and an increase of twenty orders and Rupees 138-12-0 in payments, as compared with the figures of the preceding year. The Assistant Commissioner of the Nilgiris speaking on this subject observes: "I would strongly advocate the abolition of the commission now charged, or if this cannot be conceded, then the uniform charge of one per cent., as in the case of inland orders."

15. There has been no exchange of orders between this country and Canada as yet.

APPENDIX

Statement showing the Details of Money Orders issued, the Number and Amount of Money realized thereon from 1st

No. 47. ORDER THEREON, 8th July 1875, No. 1437.

This Report on the working of the Money Order Department, for the official year 1874-75, is the first which has been submitted through this Government.

2. The Accountant-General has gone very fully into the details of the working of the department.

3. It is observed from these details that there were sixty-seven offices at the commencement of the year, and that no new offices were added.

4. From the summary given in paragraph 4 of the report it appears that the results in the year 1874-75 were not as satisfactory as in 1873-74. There was a falling off under all but two heads, and these were the least important. The "Charges" increased by Rupees 429, while the profits fell off by Rupees 2,044.

5. The chief causes to which the falling off appears to be due are "General depression of Trade," "Reduced demand for Remittances," and "Increased circulation of Currency Notes."

(Signed) D. F. CARMICHAEL,
Officiating Chief Secretary.

No. 48. To the Secretary to the Government of India, Financial Department, dated Ootacamund, 8th July 1875, No. 1438.

With reference to your letter to the Comptroller-General, dated the 18th August 1874, No. 5067 (Accounts), communicated to this Government, I am directed to forward the report on the operations of the Money Order Department in this Presidency during the official year 1874-75, together with copy of the Proceedings thereon by this Government.

(Signed) D. F. CARMICHAEL,
Officiating Chief Secretary.

47

Order thereon - Ootacamund 8 July 1875. No. 1137.

The report of the working of the Money Order Department for the official year 1874-75 is the first which has been submitted thro' this Government.

2. The Accountant General has gone very fully into the details of the working of the Department

3. It is observed from these details that there were sixty-seven offices at the Commencement

of

The letter to G. I. is initialled by the Govr.

of the year and that no new officers were added.

4. From the summary given in para. 4 of the report the results during the year 1874-75 were not as satisfactory as in 1873-74. There was a falling off under all but two heads and these were the least important. The "charges" increased by Rs 429, while the profits fell off by Rs 2,044.

5. The chief causes which led to the falling off appears to be due to the "general depression of "trade," "reduced demand for remittances" and "increased circulation of Currency Notes".

6. On these points the Governor in Council would be glad to be favored with the views of the Board of Revenue and the Chamber of Commerce for submission to the Government of India. By ~~sending the receipts of these views,~~ the Report will be transmitted to the Government of India with copy of these proceedings.
