Proceedings of the Madras Government, Financial Department, 8th July 1875.

Municipal—Budget.

No. 49. Read the following letter from W. S. WHITESIDE, Esq., President of the Municipal Commissions in North Arcot, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Vencatagherricotta, 24th June 1875, No. 39:—

I have the honor, with reference to paragraph 6 of the Order of Government, dated 19th May 1875, No. 1091, Financial Department, to report that the delay in the submission of the Municipal Budget is owing to the late date at which, after several reminders, it was received in this office, and to the time then necessarily occupied in scrutinizing it—a process which, owing to a heavy pressure of work consequent on the active progress at the time of the annual settlement that kept all hands fully engaged, it was not found possible to get through as fast as was desirable.

2. I have instructed the Vice-President of the Municipality to be more punctual in the submission of the estimate in future, and I beg to assure the Government that particular care will be taken that no unnecessary delay occurs in this office in submitting it on to Government hereafter.

3. The same remark applies to the Budget Estimate of the Wallajapett Municipality which was submitted to Government on the 11th May last. I have issued the necessary instructions to the Vice-President of this Municipality also to ensure its punctual transmission to this office, so that it may be scrutinized and submitted to Government in due time.
