No. 54. Read the following Proceedings of the Board of Revenue, dated 30th June 1875, No. 5907 (Miscellaneous):—

Read the following letter from J. H. GARSTIN, Esq., President of the Local Fund Boards, South Arcot District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Pennathur, 17th June 1875, No. 59:—

I have the honor to acknowledge the receipt of the Board's Proceedings of the 11th ultimo, Miscellaneous No. 4078, forwarding the Proceedings of Government reviewing the Local Fund reports of the Cuddalore and Virdachellum Circles for 1873-74, in paragraph 4 of which I am called on to report fully on the expenditure on the European public bungalows, and have the honor to submit a detailed statement showing how the large expenditure on bungalows during that year was incurred.

2. The Board will see from this statement that while Mr. Sullivan was acting as Collector a large quantity of crockery and articles of furniture was supplied to the different bungalows. These articles, I have not the least doubt, were much required, and, having been once supplied, it is to be hoped they will, if necessity for renewal arises, be able to be renewed from the sums levied from those who may break them while the annual Budget allotment for contingencies will probably suffice for repairs.

3. The expenditure on the bungalows during 1872-73, 1873-74, and 1874-75 and that budgeted for the current year is given in the subjoined statement, from which it will be seen that the expenditure in 1873-74 was quite exceptional:—

4. With reference to paragraph 23 of the Board's Proceedings embodied in the Proceedings of Government already quoted, I have the honor to report that the number of travellers who halted in the bungalows of the Cuddalore Circle during 1873-74 was 343.

No. 55. ORDER THEREON, 8th July 1875, No. 1441.

It appears from the explanation afforded that the expenditure incurred on account of bungalows in the Cuddalore and Virdachellum Circles in 1873-74 was exceptional, and that of the aggregate outlay of Rupees 3,518 more than one-half (Rupees 1,854) was spent on crockery.

2. The estimated expenditure in 1875-76 though less than in 1873-74 and 1874-75 is still higher than it was in 1872-73. Every endeavor should be made by the Local Fund Board to make these bungalows self-supporting.
