No. 56. Read the following Proceedings of the Board of Revenue, dated 28th June 1875, No. 5816 (Miscellaneous):—

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Boards, Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Periacolum, 11th June 1875, No. 70:—

I have the honor to submit copy of Resolution No. 37 of 1875 passed by the Dindigul Local Fund Board in which they refuse to make a special grant for the survey of roads in the Circle ordered to be made in the Board's Proceedings noted in the margin. The District Engineer says that the surveys cannot be completed without a special grant, and it is, therefore, necessary to refer the question whether Government will allow the additional establishment required. The District Engineer proposed to give the work on contract to a Surveyor at the rate of 2½ Rupees a-mile, and this proposal was approved in the Madura Circle and submitted to the Board in my letter of the 6th May, No. 57.

Circular memorandum, dated the 4th November 1868, No. 1155.
Board's Proceedings, dated the 13th August 1870, No. 5286.

Submitted for the orders of Government.

2. The surveys in question are surveys of existing roads made for record and not surveys in view to preparation of estimates. Such surveys have been hitherto held to be special requirements to be met by special allotments. The Board are of opinion that the Local Board may be allowed, if they like, to refuse to pay for them, but in that case they must do without them.
