Proceedings of the Madras Government, Financial Department, 10th July 1875.

Provincial Services.

No. 72. Read the following Proceedings of Government, in the Revenue Department, dated 26th June 1875, No. 971:—

ABSTRACT.—Communicating, to the Financial Department, Board's Proceedings reporting that the cost of the Customs Buildings, in the South Arcot District, is a Provincial charge, and that it should be met from savings in the Provincial Public Works Budget.

No. 73. ORDER THEREON, 10th July 1875, No. 1456.

There is no probability of savings occurring in the Provincial Public Works Budget for 1875-76, provision must therefore be made for the construction of the huts in the next year's Provincial Budget under "Petty Construction and Repairs," the entire assignment for which has already been allotted for other works in the current year.

Proceedings of the Madras Government, Revenue Department,
26th June 1875.

No. 229. Read the following Proceedings of the Board of Revenue, dated 11th June 1875, No. 1,586:—

Read the following Proceedings of the Madras Government, dated 17th April 1875, No. 783, Revenue Department :—

ABSTRACT.—FORWARDING to the Board for report Government Order in the Financial Department ordering that the amount entered in the Budget of the South Arcot District, for the construction of huts for the Land Customs Frontier Police Guards, should not be debited to the "Police Lodging Fund," but must be met either from "Land Revenue" or "Customs," Imperial Revenues.

THE Board do not see how the cost of the Customs buildings in South Arcot can be provided from Imperial revenues, while it is clearly a Provincial charge.

2. In the Board's opinion, it should be met from savings in the Provincial Public Works Budget. If, however, the Government decide that it should be charged to Imperial, it should be met from the Public Works Budget, Imperial.

Write order

Ostasammud. 10 July 1875. No 1156.

Sir,

There is no probability of savings occurring in the Provincial Public Works Budget for 1875-6, from which application could be made for the construction of the bridge in the next year's Provincial Budget under "Petty construction purposes," the entire appropriation for which has already been absorbed for this work in the current year.
