No. 74. Read the following letter from W. E. WRIGHT, Esq., Superintendent of Stamps and Stationery, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 6th July 1875, No. 266 :—

In reply to Proceedings of Government, No. 1174, dated 31st May 1875, Financial Department, communicating a Despatch from the Right Honorable the Secretary of State for India, Financial, No. 153, dated 24th March 1875, and calling upon me for explanation of certain errors pointed out therein in Indent from this office, No. 82, dated 16th December 1874, I have the honor to submit that the quantities shown in column 2 as due on former Indents, were actually due at the time of the submission of the Indent; for, although it seems they were despatched from England, the stores had not up to the date of the despatch of the Indent been received, and had not therefore been brought to account. The earliest arrival (colors) was in January 1875, and the Lithographic paper and Tracing cloth came to hand in April only. No Packing Account or Invoice has yet been received for the last two articles which were brought out per Steamer *Flamingo*.

2. No steps appear as yet to have been taken on the Supplemental Indent, No. 79, submitted from this office on the 3rd February 1874.

No. 75. ORDER THEREON, 12th July 1875, No. 1461.

Ordered that a copy of this letter be sent to the Government of India for transmission to the Secretary of State.
