No. 77. From W. S. WHITESIDE, Esq., Collector of North Arcot, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Venkatagherrycotta, 24th June 1875, No. 37.

The duties connected with the Money Order Office at Vellore are at present conducted by the Sheristadar of the Taluq Cutcherry who is also in charge of the Taluq Treasury. The Acting Sub-Collector has now brought to my notice that the work connected with the issue and payment of money orders has caused too great an addition to the work of the Vellore Treasury, and he therefore requests that, in accordance with the promise of the Governor-General in Council, contained in paragraph 10 of Financial Resolution, No. 3103, dated the 30th September 1872, assistance may be given to it.

2. He proposes that an additional Gumastah shall be appointed on a salary of Rupees 180 a-year or Rupees 15 a-month. In 1874 75 Rupees 221-4-0 was realized as commission on the issue of 736 orders for Rupees 16,905, and no less than Rupees 32,010 was paid on 1,311 orders.

3. It will thus appear that the transactions are very large, and must necessarily seriously interfere with the ordinary work of the taluq where the money transactions are always heavier than in any other taluq in the district.

4. Under these circumstances, therefore, I have the honor to request that Government will be pleased to sanction the entertainment of an additional Gumastah in the Vellore Taluq Cutcherry, to be paid out of the commission realized on the issue of money orders.

Referred to the Accountant-General for his opinion.

The undersigned has the honor to call attention to G.O., No. 899, dated 27th June 1873, approving of the Revenue Board's decision with respect to similar requests made by the Collectors of Bellary and Vizagapatam, the work in which offices is greatly in excess of that in North Arcot. There seems no necessity to comply with this request.

SIR,

The duties connected with the Money Order office at Vellore are at present conducted by the Sheristadar of the Taluq Kacheri who is also in charge of the Taluk Treasury. 2 He proposes that an additional gumasta shall be appointed on a salary of Rs 180 a year or Rs 15 a month. In 1874-75

Rs 28-4-0 was realized as Commission on the issue of 736 orders for 16,905 Rupees, and no less than 3210 Rupees was paid on 311 orders.

4 Under these circumstances I have to request that Government will be pleased to sanction the entertainment of an additional 4th monthly Sub Treasurer, the payment of the Commission realized on the issue of Money Orders.
