No. 135. Read the following letter from Colonel R. M. MACDONALD, Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 5th July 1875, No. 1526:—

I have the honor, in submitting the accompanying Proceedings of the Board of Revenue, No. 5520, of the 19th June, to annex copy of a letter, No. 195, of 5th March 1874, from the Deputy Inspector, Oossoor Circle, and of Mr. Powell's reply, from which it will be seen that the Deputy Inspector was under a misapprehension as to the financial position of the Local Fund Board.

Proceedings of the Board of Revenue, dated 19th June 1875, *No.* 5520 (*Miscellaneous*).

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 3rd June 1875, No. 725 :—

In reference to paragraph 4 of G.O., No. 958, dated the 29th April last, I have the honor to report, for the information of Government, that it does not appear that any application was made to the Local Fund Board of Oossoor by the Educational Officers for a further grant of funds for results grants in that Circle. On the 5th March 1874 the Deputy Inspector addressed a letter to the Director of Public Instruction stating that the Budget provision had been spent and seeking instructions in the matter of the examination of the schools that still remained to be inspected, and the Director in reply stated* that no school should be examined for grants after the Budget provision had been used up.

* 9th March 1874.

2. The Deputy Inspector appears to have presumed that the Local Fund Board were not solvent and could not therefore provide the requisite funds.

Submitted to Government through the Director of Public Instruction with reference to the Order quoted.

(A true Copy and Extract.)

(Signed) H. E. STOKES,
Acting Secretary.

From S. B. SUBBAROYA IYER, Deputy Inspector of Schools, Oossoor Circle, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, dated Oossoor, 5th March 1874, No. 195.

I have the honor to report that up to date thirty-five result-grant schools have been during the year inspected and that the grant due to them from Local Funds has already exceeded the Budget allotment* by Rupees 10-4-0.

* Rupees 1,000.

2. There are a few more schools to be inspected, and the amount required for them will, I believe, not exceed Rupees 200.

3. Under these circumstances, I beg to be favored with your instructions as to whether I am to inspect these schools and forward certifying memoranda to you therefor or not.

4. I beg leave to inform you that the Local Fund Board, Oossoor Circle, are not at present solvent; that they are in debt to the tune of Rupees 18,000; that it is now under their serious consideration to curtail expenditure and obviate the deficit by all possible means; and that it is, therefore, not likely that any expenditure exceeding the Budget allotments will be sanctioned by that body.
