ABSTRACT.—Communicating Proceedings, Public Works Department, passing certain orders on the subject of repairs of Vangipuram Tank, Kistna District.

THE Board observe that what is wanted is that the proceeds of the endowment, amounting to about Rs. 2,143, which have already been credited to Government for years, should be made available for the repair of the tank; and they suggest that the money be paid from "Refunds" and credited to the Local Fund of the Guntoor Circle. It is not the cost of maintenance, but of repair, amounting to restoration, which is in question.

Irrigation, No. 4.

IT is observed that the endowment of this tank was resumed in fasli 1256, that since the resumption Rs. 2,143 have been realised on the Inam and credited to land-revenue, and that nothing has been spent on the tank, the estimate repair of which is 1,630 Rs.

2. The Board now suggest that the money realised from the Inam and improperly credited to land-revenue be paid to the Local Fund Board from "Refunds."

3. The Government consider this only just, and accordingly direct the refund. The Inam should be, in future, vested in the Local Fund Board.
