No. 146. Read the following Proceedings of the Board of Revenue, dated 6th July 1875:—

Read Proceedings of the Madras Government, Financial Department, dated 15th May 1875, No. 1057, requesting to report whether there is any objection to apply to Local Fund Overseers the rules prevailing in the Department of Public Works regarding the grant of travelling allowance to subordinates when they travel beyond their ranges.

The Board see no objection to the adoption of the rules prevailing in the Department of Public Works in the case of Local Fund Overseers.

2. It is observed that Government have already ruled that the Local Fund Sub-Overseers belong to the lower subordinate class, and that it will be proper to apply to them the Travelling Allowance Rules applicable to that class and promulgated under G.O., Public Works Department, dated the 14th April 1869, No. 1224. If that order is to have retrospective effect it would appear that the Local Fund Overseer is entitled to the railway mileage claimed (*vide* paragraph 2 of Controller's Memorandum recorded in the Order of the 7th April 1875, No. 928, Public Works Department).

G.O., P.W.D., 7th April 1875, No. 928, communicated with G.O., Financial Department, 10th April 1875, No. 806.

From the Secretary to the Board of Revenue dated 6th July 1875.

Submitted Office memo explaining equally the position of Local Fund Overseers - It seems rather a misnomer - if they are not under the control of the L. F. Boards - & if the work paid for by L.F. Bds is only a part of their work -
