Civil Fund Office

17th July 1875.

From,

H. E. Stokes Esquire

Secretary to the Civil Fund.

To,

The Hon: D. F. Carmichael

Actg Chief Secretary to Government.

Sir,

I am directed by the Trustees of the Madras Civil Fund to acknowledge the receipt of Government Order 25th June 1875 No 1359 communicating a letter from the Government of India dated 16th June 1875 No 1330 on the subject of the reference made in my letter of the 5th April last, No 152.

2 In reply, I am to ask that the Trustees may be favoured in due time with information as to the nature of the adjustment of the Fund which the Government of India are about to propose to the Secretary of State, in order that they may have opportunity of recording any remarks thereon which may suggest themselves as fit to be considered at the same time by the Marquis of Salisbury. The Bombay Civil Service were allowed an opportunity of stating their sentiments on the proposals made by the Government of India regarding their Fund, before those proposals were laid before the

Secretary

Secretary of State, and the Trustees submit that the
like opportunity should be afforded to the Madras Service.

3 I am also to point out that in forwarding
the papers for the consideration of the Government of
India, the Madras Civil Servants did not pledge
themselves to any particular course of action, but were
merely actuated by a desire to place at the disposal
of the Government of India all the information they
professed as to the condition of the Fund.

4 With reference to the last part of para 4
of the letter from the Government of India, the
Trustees observe that the desirability of defining
exclusion of benefit until the future relations
between the Fund and the State are settled, has
been fully recognized.

I have the honor to be
Sir
Your obedient Servant
H Verney
