Proceedings of the Madras Government, Financial Department,
27th July 1875.

Local Funds—Education.

No. 182. Read the following Proceedings of the Board of Revenue, dated 8th July 1875, No. 1886 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot and President of Local Fund Boards, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Punganur, 18th June 1875, No. 333 :—

WITH reference to Government Order, dated 1st April last, No. 698, calling upon the Local Fund Boards to record such practical suggestions as they may have to offer in regard to the early inspection of the Local Fund result-grant schools, I have the honor to inform you that the Local Fund Board are of opinion that the examination should be systematic and taluqwar. If schools are found unprepared they must be passed over, and if time avails they might probably be examined during a second tour. The examination should also be begun early in the year. They observe with much regret that at the close of the last official year forty-eight result-grant schools out of those selected for that year remained unexamined in their circle, and in consequence a sum of no less than Rupees 2,830-12-0 was left unexpended, which, it is said, is attributable partly to the Deputy Inspector having been absent on duty elsewhere, and partly to his having been sick during a portion of the year. The Local Fund Board have, however, desired him at once to examine those schools which were so neglected last year, and to commence the examination earlier this year.

SUBMITTED to Government, with reference to G.O., Financial Department, dated 1st April 1875, No. 698.
