No. 199. Read the following Minute by the Honorable the Governor, dated 28th July 1875:—

During the residence of Lady Hobart at Coonoor Dr. Wright was deputed to afford her and part of the staff, which I shared equally with her, the medical attendance that was necessary. Dr. Wright however was attacked not long after his arrival there by the illness which terminated in his death.

2. For about a month therefore Dr. Andrews attended not only upon Lady Hobart and the staff, but also upon Dr. Wright during his long and fatal illness. At Ootacamund Dr. Whitton has been in attendance upon me and the rest of the staff for about three months.

3. In order to meet the double claim thus created—under circumstances which can scarcely become a precedent—I propose not to fill up the vacancy caused by the death of Dr. Wright, but to distribute under the sanction of the Government the amount which will accrue in recognising the services of both Drs. Andrews and Whitton—awarding to them fees amounting in case of Dr. Andrews to three weeks' or one month's salary, and in Dr. Whitton's case to (say) two months' salary or more as the case may be. The amount will be available through the vacancy of the post of Medical Officer to the Governor which may remain open until all claims are satisfied.

No. 200. ORDER THEREON, 30th July 1875, No. 1569.

Resolved that the sanction of Government be accorded to the proposals embodied in the foregoing Minute of His Excellency the Governor.

Sir,

His words in his
language of the Govt
of India be contrary
to "fundamental
principle" of the Uniform Rules.

His simplest way of
dealing with the matter is
to give Dr Andrews such
time as the Govt decides for
his attendance, and direct
that it be debited to Govt
Services.

And to appoint Dr
Whitton to act as Govt
Home Surgeon, without pre-
:judice to his other duties.
