Proceedings of the Madras Government, Financial Department,
30th July 1875.

Local Funds—Medical.

No. 205. Read the following Proceedings of the Board of Revenue, dated 15th July 1875, No. 1974:—

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 22nd June 1875, No. 837:—

In the Budget for the current year, the Local Fund Board, Salem Circle, proposed to open a dispensary at Trichengode, which is the headquarters of the taluq of that name, and Government, in G.O., No. 194, dated 1st February 1875, sanctioned the Local Board's proposal. Subsequently, finding that Sunkerrydroog was more centrical than Trichengode, I, as Collector, addressed Government, through the Board of Revenue, on the subject of the transfer of the old District Munsif's Court-house at that place to the Local Fund Board, in view to the dispensary being opened there; and my letter was referred to the District Engineer for report, who, in his letter, No. 206, dated 10th February 1875, however, stated that the building applied for by me was required for a tool-shed, which, if built anew, would cost Government Rupees 900. This reply was communicated to me in G.O., No. 545, dated 10th March 1875 (*vide* Board's Miscellaneous No. 2,274, dated 19th March 1875). I have now the honor to state that the Local Board are prepared to pay over to the Department of Public Works the sum of Rupees 900 named by Major Hunter as being the cost of constructing a new "tool-shed" in return for the District Munsif's Court-house, which they desire to obtain for a dispensary. The District Engineer was asked to state if he had any objection to the proposal of the Board, and a copy of his reply is herein enclosed for the information of the Board of Revenue and Government.

2. A Mahazir, signed by numerous residents of Sunkerrydroog, has been received, asking the Board to open the dispensary at that place, and the members of the Board are also of opinion that, if the dispensary be opened there, it would be better attended than at Trichengode. Sunkerrydroog is a place which, on account of its climate and water, is very much resorted to by invalids, and a dispensary there would certainly be very useful to the community at large. I have therefore the honor to request that the Board of Revenue will be good enough to obtain the sanction of Government for the transfer of the building in question to the Local Fund Board.

Enclosure No. 1.—Copy of District Engineer's letter.

Enclosure No. 2.—Extract from Proceedings of Local Fund Board.

Submitted for the favorable consideration of Government.

2. The building might be made over to the Local Board to be used as a dispensary, and to revert to Government on its ceasing to be so used.

3. There are ample funds whence the charge of Rupees 900 can be met.

Mr. Thomas Kasiva Mudaliar proposes to convert the present Rs. 2000 into a Fund which shall be known as a Dispensary is simply a bagatelle. The latter is a blind to induce the public to subscribe as the former. The Fund will have the exclusive right to the use of public buildings
