No. 11. Read the following letter from A. WEDDERBURN, Esq., President of the Municipal Commission, Coimbatore, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Coimbatore, 24th July 1875, No. 13 :—

With reference to Proceedings of Government, dated the 16th June 1875, No. 1293, I have the honor to forward, for the favorable consideration of Government, extract from the Proceedings of the Municipal Commission, Coimbatore, dated the 15th July 1875.

6. Read and recorded G.O., dated the 16th June 1875, No. 1293, directing the Municipalities of the Coimbatore District to hand over to the Local Fund Board one-third of the net receipts from Tolls, with effect from the 1st April 1876.

The Municipal Commissioners respectfully bring to notice that the present taxes are levied at their maximum, house-tax being at 7½ per cent; that conservancy and other expenses are carried out with the greatest attention to economy, and they consequently fear that the loss of income of nearly Rupees 3,000 will be seriously felt. The only other unlevied tax available is that on Trades and Professions, which has been abolished in other Municipalities where it had been levied. In order to provide water for the people the Municipal Commissioners lately applied for a loan to open new and deepen old wells. The Municipal Commissioners would, under the circumstances submitted, respectfully request Government to postpone the Order in question until the supply of water (now lamentably deficient) to the town has been provided.

No. 12. ORDER THEREON, 4th August 1875, No. 1593.

The Governor in Council sees no reason for receding from the Order, dated the 16th June 1875, No. 1293, which, it is observed, will not have effect before the 1st April 1876.

2. In the meanwhile, the Budget Estimates for the Municipalities in Coimbatore for 1875-76 will come under review, and Government will then be in a position to decide whether the incomes will, or will not, meet current demands.
