No. 17. Read the following Proceedings of the Board of Revenue, dated 21st July 1875, No. 6603 (Miscellaneous):—

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Boards, Madura District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Shembaganoor, 29th May 1875, No. 66:—

I have the honor to enclose copy of a letter from the Deputy Superintendent of Vaccination, requesting sanction for the temporary employment of three second-class Vaccinators in Dindigul Circle for four months in consequence of the prevalence of small-pox in Dindigul Taluq, and to suggest that the Local Fund Boards might be permitted to employ temporary Vaccinators in such cases in anticipation of sanction. Last year a few extra Vaccinators were employed in this circle and it took some months to obtain sanction. If the employment of extra hands is to do any good they must be set to work at once when they are wanted, and the opportunity passes away while a circuitous correspondence is going on. The cost in the present case would be only about Rupees 120.

From SARA CHUND, Temporary Superintendent of Vaccination, Dindigul Circle, to W. McQUHAE, Esq., President of the Local Fund Boards, Madura, dated Dindigul, 22nd May 1875, No. 46.

I beg to apply for the services of three temporary second-class Vaccinators for four months only: a letter I just received from the Tahsildar of Dindigul states that small-pox is prevalent in almost every village. Much good might be rendered to the cause of vaccination as well as to the unprotected should this application meet your sanction and especially at this time when so much small-pox is present.

2. Further, I beg to inform you that the staff now employed is still insufficient to reach the unprotected, and now there is no Vaccinator for the Cusba villages occasioned by the removal of M. Subbramanya Pillay who is now working in the Vadamadura division, in consequence of which I am now obliged to withdraw second-class Vaccinator P. Rajainthram Pillay from Nelacottah. Soon after his arrival here I made this Vaccinator to visit the infected places at once.

Submitted for the sanction of Government.
