Municipal—Budget.

Read the following papers:—

No. 19. From J. H. MASTER, Esq., President of the Municipal Commissions, Bellary, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Bellary, 9th July 1875, No. 63.

I have the honor to forward a Supplemental Budget, submitted by the Vice-President, Anantapore Municipality, for the remaining portion of the official year 1875-76.

2. This Budget has been considered necessary owing to certain savings effected by the Commissioners by reductions in their establishment. This has placed a sum of Rupees 510 at the disposal of the Commission, and they propose to expend it in the construction of three latrines in addition to those already proposed.

3. I would solicit the attention of Government to the request made in paragraph 4 of the Vice-President's letter, and if such a course be feasible, to appoint a second-class Hospital Assistant to the charge of the Civil Dispensary at Anantapore, in lieu of the present Passed Hospital Apprentice.

4. This course is proposed in view to economizing expenditure.

No. 263.

MEMORANDUM.

The President of the Bellary Municipal Commission is requested to forward copy of the Vice-President's letter to which he refers in his communication, dated 9th July 1875, No. 63.

(Signed) C. D. MACLEAN,
Actg. Under Secretary to Government.

16th July 1875.

No. 20. From J. H. MASTER, Esq., President of the Municipal Commissions, Bellary, to C. D. MACLEAN, Esq., Acting Under Secretary to Government, Fort St. George, dated Bellary, 21st July 1875, No. 66.

With reference to your official memorandum, No. 263, dated 16th instant, I have the honor to forward the Vice-President's letter, No. 33, dated 5th instant.

From H. RAMA ROW, Vice-President, Municipal Commission, Anantapore, to J. H. MASTER, Esq., President of the Municipal Commission, Anantapore, dated Anantapore, 5th July 1875, No. 33.

I have the honor to submit a Supplemental Budget Estimate, for the sanction of Government, for the official year 1875-76, from the 1st July 1875.

2. As the Commissioners have not provided an adequate amount for the entire construction of three latrines and chuttrums under their management, when the Budget Estimates were framed, which received the sanction of Government in their Order, No. 306, dated 12th February 1875, they have now been compelled to dispense with the services of the Superintendent and Death-and-Birth Registrar, from the 1st July 1875, to enable them to meet the above expenditure.

3. It will be seen from the estimate, herewith submitted, that a saving of Rupees 510 is effected by the removal of the Superintendent and Death-and-Birth Registrar from the 1st of July

1875. Deducting from this Rupees 170, proposed to be given to the Superintendent and Death-and-Birth Registrar, as gratuity in consideration of their services for six years, and the increase of Rupees 90, for the Municipal Clerk for performing all office work, and Vaccinator for doing the Death-and-Birth Registrar's duty also, the balance of Rupees 250 will be applied to the construction of three latrines in addition to the amount already allotted for this purpose in the annual Budget Estimates.

4. Should the Government be pleased to sanction a second-class Hospital Assistant to the charge of the Civil Dispensary at Anantapore, instead of the present Passed Hospital Apprentice, which the Commissioners strongly trust will be done, any amount that may thereby be saved will be spent upon chuttrums besides the provision made in the original Budget Estimates.

No. 21. ORDER THEREON, 4th August 1875, No. 1597.

The Supplemental Budget Estimate submitted with the first of the foregoing letters, amounting to Rupees 510, is sanctioned.

2. Paragraph 4 of the Vice-President's letter will be referred to the Surgeon-General, Indian Medical Department, for report.
