Madras Water Supply.

No. 36. Read the following letter from L. R. BURROWS, Esq., Acting President of the Municipal Commission, Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 28th July 1875, No. 145-826-E.:—

I have the honor to bring to the notice of His Excellency the Governor in Council that the Acting Executive Engineer of the Municipality reports having observed on the 27th instant a large herd of cattle grazing near Ritchie's Bungalow on the Red Hills Lake, and that several buffaloes were in the water. As the municipal pipes take off water from a point not far distant from the place where these buffaloes were bathing, and as the water in the lake is now very low, it would be beneficial if the practice of allowing cattle to enter the lake could be put a stop to.

No. 37. ORDER THEREON, 6th August 1875, No. 1612.

This is a matter which the Acting President should get settled by communicating with the Acting Magistrate, Chingleput District.

(True Extract.)

D. F. CARMICHAEL,
Officiating Chief Secretary.
