FROM

THE HON. D. F. CARMICHAEL,
Officiating Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to transmit, for the information of the Government of India, a statement showing the number and value of uncurrent and spurious coins cut under Section 17 of the Indian Coinage Act (XXIII. of 1870), for the half-year ending the 30th June 1875.

2. Compared with the two half-years in 1874 there is a falling off in the number of coins "worn" in the first half of 1875, but the value is greater than that of the second half of 1874.

3. There is a considerable increase in the coins "tampered with," being eighty during the half-year against eighty-one in the year 1874. Counterfeit coins were also considerably in excess of the number in the second half of 1874, though less than in the first half of that year.
