Municipal—Assessment.

No. 84. Read the following letter from G. D. LEMAN, Esq., Acting Collector of Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 14th August 1875, No. 235:—

I have the honor to request sanction to pay to the Municipality the sum of Rupees 90 being the assess- ent for 1871 on the Government Timber Depôt in the 5th Division of Madras town. The amount has not hitherto been paid for the following reasons.

2. In G.O., dated 20th February 1872, No. 230, Financial Department, the Municipal Assessment on this Timber Depôt for 1871 was withheld, pending a report by the Collector of Madras as to the equitableness of the value assessed on it. A report was sent in April 1872 from this office, stating that the assessed value was too high.

Vide letter, dated 19th April 1872, No. 57.

3. In their Order thereon, Government desired the Municipal President to state the grounds on which the Municipal valuation had been made, and it was then discovered in correspondence between that office and this that the original report in which the assessment was said to be too high referred to another Timber Depôt, and not that in the 5th Division.

G.O., dated 3rd May 1872, No. 618.

4. The matter seems then to have been lost sight of, for the amount of Rs. 90 was paid without demur in 1872.

5. The Budget grant for the year on account of Municipal taxes is Rupees 29,780-8-9, and the amount already paid is Rupees 29,464-11-4. The amount of Rupees 90 can be paid from the remaining sum of Rupees 315-13-5.

No. 85. ORDER THEREON, 12th August 1875, No. 1650.

Sanction is granted for payment of the assessment of Rupees 90 from the available balance.
