University—Receipts and Charges.

No. 86. Read the following Proceedings of the Government of India, in the Financial Department, dated Simla, 31st July 1875, No. 2430 (Accounts):—

RESOLUTION.—The Governor-General in Council observes that the receipts and charges of the Calcutta University have, since the establishment of that institution, been included in the general accounts and estimates of the empire, and that this mode of adjustment was authorized by resolution in this Department, No. 2007, dated 27th August 1868.

2. It appears, however, that this practice is not in accordance with Section 15 of Act II. of 1857, by which it was provided that the fees levied by the Calcutta University should be formed into a separate fund for the payment of the expenses of that institution.

3. To carry out the intentions of the law, His Excellency in Council directs, in modification of the orders of 27th August 1868, that the fees levied by the Calcutta University be formed into a separate fund, and that all the expenses of the University be paid out of that fund. The receipts and charges of this fund should be audited by the Comptroller-General once a-year; but they should no longer be included in the general accounts and estimates of the Government of India. If any assignment is at any time made from the public revenues in aid of the University Fee Fund, it will be an imperial charge.

4. For the Madras and Bombay Universities, separate funds already exist; but the annual statements of receipts and charges and of balances of those funds, which were by the orders of 27th August 1868 to be appended to the civil estimates of the Madras and Bombay Presidencies, are not furnished by the Local Governments. The Governor-General in Council therefore requests that the Governments of Madras and Bombay will, in future, supply this omission when framing their provincial and local estimates.

Any further orders that may seem necessary in respect to the management of the Calcutta University Fee Fund will be issued in the Home Department.

ORDER.—Ordered that the foregoing resolution be communicated to the Home Department, the Governments of Madras and Bombay, the Accountants-General of those places, and the Comptroller-General.
