Local Funds—Vaccination.

No. 96. Read the following Proceedings of the Board of Revenue, dated 29th July 1875, No. 2121:—

Read the following letter from H. S. THOMAS, Esq., President of the Local Fund Boards, Tanjore District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Tritrapundi, 14th July 1875, No. 481:—

I HAVE the honor to forward a resolution of the Local Fund Board of the Tanjore Circle regarding the amalgamation of the vaccination staff employed in the several Rajah's chuttrums under the management of the Local Fund Board of the Tanjore Circle with the Government staff paid out of Local Funds.

2. Yemunambalpuram	10
3. Mohanambalpuram	7
4. Sulakshanambalpuram	7
5. Dropadambalpuram	7
6. Rajakumarambapuram	7
Per mensem ...	48

$48 \times 12 = 576$ per annum.

2. There are six vaccinators in the circle employed in the chuttrums noted in the margin, two of whom are in receipt of Rupees 10 and the rest of Rupees 7 each per mensem. The establishment costs the chuttrums Rupees 576 per annum.

3. The object of the Local Fund Board in effecting the amalgamation is to relieve, to some extent, the chuttrums from having to meet the cost of the vaccine staff, which should, properly speaking, be defrayed out of General Funds, and to allow of the chuttrums reserving their funds "for the more truly charitable purpose of ministering to those already suffering, as, for example, through its dispensaries and food," and more especially to encourage these men who, as vaccinators paid out of Chuttrum Funds, are not entitled to pension, to work more efficiently and to keep to the department by holding out to them the hopes of the benefits of the Pension Rules. The Local Fund Board further propose to promote these vaccinators to second class on a salary of Rupees 10 each per mensem, and the cost of the establishment will, therefore, have to be increased to Rupees 720, or by Rupees 144 per annum.

4. I have the honor, therefore, to request that the Board of Revenue will be pleased to support the proposals of the Local Fund Board and obtain the sanction of the Government thereto.

5. The outlay on account of this establishment may be met from the unexpended balance of the General Fund of the circle during the current year.
