Local Funds—Tolls.

No. 103. Read the following Proceedings of the Board of Revenue, dated 24th July 1875, No. 2064 :—

Read the following letter from H. NEWMAN, Esq., President of Municipal Commissions and Local Fund Boards, Kistna District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 5th July 1875, No. 914 :—

REFERRING to paragraph 3 of the G.O., dated 11th January 1875, No. 40, Financial Department, I have the honor to state that, after consulting the two Local Fund Boards of this district, I find that neither of them desires to claim any part of the tolls at present levied by the Municipalities at Masulipatam and Guntoor.

2. The Local Funds have a good theoretical right to a share of the tolls in both cases, for an expensive road has been made through Masulipatam and to the fort entirely at the expense of this fund. Similarly a small sum has been expended from Local Funds within the town of Guntoor, and a large sum in making the road from Guntoor to the ferry over the Kistna.

3. As both the Municipalities are in want of funds to carry on the works projected, and to maintain their conservancy establishments, the income derived from tolls is very necessary to them, and both the Committees express their unwillingness to give up any part of this source of income.

4. Under the circumstances, I have the honor to state my opinion that the most convenient course in this district would be to leave the tolls to the Municipalities as heretofore. I would, therefore, request instructions as to whether this can be permitted before the time for the preparation of the budgets for next year. If it is ordered that the tolls must be divided, I will again consult the Municipal Boards as to their division between the Local and Municipal Funds.

SUBMITTED for the orders of Government.

2. The Board are of opinion that each town should contribute one-third of the net yield of the tolls as has been ordered elsewhere.

Acting Secretary.

No. 104. ORDER THEREON, 13th August 1875, No. 1663.

Before passing final orders on these Proceedings, which appear to have been communicated to the President of the Local Fund Boards in the Kistna District, the Governor in Council desires that the proposals of those Boards, as required in paragraph 3 of G.O., dated 11th January 1875, No. 40, be submitted. In the mean time the Budget to be shortly submitted will be prepared with reference to the Board's proposal that one-third be transferred.
