No. 113. Read the following Proceedings of the Board of Revenue, dated 27th July 1875, No. 2085 :—

Read the following letter from H. NEWMAN, Esq., President of the Local Fund Boards, Kistna District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 9th June 1875, No. 104 :—

I HAVE the honor to submit, for sanction, an estimate (5,610 Rupees) for repairing a minor district road leading from Bapatla to Commamore channel near Nallamanda Colingula *viâ* Jummulapalem, and for constructing five palmyrah bridges on it.

2. The present road is the remains of an old bund, and is hardly visible in places. The estimate provides for constructing a substantial earthen embankment; the bridges are sufficiently wide to pass one bandy at a time, and will last for some years.

3. The District Engineer represents that this road is required for general traffic to and from the high country, the other side of the Commamore channel, and also for bringing in the produce from land under Bapatla Tank.

4. Copy of Local Fund Board's Proceedings, Guntoor Circle, is enclosed, together with estimate and plan.

5. The funds can be provided from Road Fund Reserve of the current year as resolved upon by the Circle Board.

ENCLOSURE No. 1.—Estimate.

ENCLOSURE No. 2.—Extract from Proceedings of the Local Fund Boards.

THE estimate, amounting to Rupees 5,610, is submitted for the sanction of Government.

2. On the receipt of sanction the Board will allot the requisite funds.
