Proceedings of the Madras Government, Financial Department,
28th January 1875.

Local Funds—Bridges.

No. 124. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Madras, 18th January 1875, No. 43:—

In reply to the Order of Government, dated 7th July 1874, No. 60, I have the honor to report that the bridge over the Vellaur River, as proposed by the Railway Company, provides for seven spans of 100 feet each, and that, as near as the Chief Engineer is in a position to estimate at present, the additional cost of adding a roadway of eighteen feet in the clear would be about one lakh of rupees.

2. The delay in furnishing this information is due to the site of the proposed bridge having been but lately decided upon.

Transferred to the Financial Department, with reference to the orders in that Department, No. 1028, dated 19th June 1874.
