Proceedings of the Madras Government, Financial Department,
21st August 1875.

Local Funds—Education.

No. 147. Read the following Proceedings of the Board of Revenue, dated 11th August 1875, No. 2246:—

Read the following letter from J. BRADSHAW, Esq., Acting Inspector of Schools, 1st Division, to E. THOMPSON, Esq., Acting Director of Public Instruction, dated Rajahmundry, 2nd July 1875, No. 756:—

I HAVE the honor to return your No. 1,240 of the 4th ultimo, referring to me extract of letter addressed to Board of Revenue by the President, Local Fund Board, Vizagapatam.

2. I see no objection to the Government grant recently sanctioned on behalf of the newly-opened middle-class private schools at Yellamanchili and Narasapatam being transferred to the Local Fund Board on the management being given over to the Board by the present managers, which I am sure they will be willing to do.

3. I also think that it would be a matter of great importance that a school at Razam should be under the Local Fund Board and that the Salur School be raised in standard, and consider that the Board's request that a monthly grant of Rupees 30 in the aggregate be allowed for the two schools might be acceded to. When the schools at these villages were grant-in-aid schools, the former received a grant of Rupees 27-8-0 and the latter Rupees 8, making a total of Rupees 35-8-0.

4. The establishment of the school at Srungavarapakota has already been sanctioned in G.O., No. 2,142, of December 1874.

5. Sanction is also sought for the establishment of a Local Fund Board lower-class school at Laveren. This is a large village in the Chippurupilli Taluq; and I am in favor of the Board's proposition to establish a school there.
