Read the following letter from H. NEWMAN, Esq., President of the Local Fund Boards, Kistna District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 22nd July 1875, No. 126 :—

I HAVE the honor to forward, for approval and sanction, plans and estimates as marginally noted for the construction of the Civil Dispensaries proposed to be built at Cheerala, Vinukonda and Dachepalli, at a cost of Rupees 4,260, Rupees 5,150 and Rupees 2,200, respectively.

2. The Board will observe that a provision of Rupees 3,000 has been made in this year's budget of the Guntoor Circle for each of the three dispensaries.

3. The Local Fund Board, Guntoor Circle, have approved the above estimates and plans, and desired the speedy execution of the works. The plans were made out by the Superintending Engineer, so as to give proper accommodation after consideration of the suggestions made by Mr. Leman and the Surgeon-General. The dispensaries at Cheerala and Vinukonda are to be newly built. In regard to Dachepalli, it was agreed by the Local Fund Board that the old District Munsif's Court, the demolition of which had been sanctioned by Government in their Order, dated 21st August 1874, No. 2,360, Public Works Department, might be handed over to the Local Fund Board and converted into a dispensary. The Superintending Engineer has accordingly sent the present estimate, proposing alterations to meet the requirements.

4. I therefore request sanction for the estimates, and that the orders of Government for the transfer of the old Munsif's Court building at Dachepalli, together with the land attached to it, to the Local Fund Board, may be obtained. The works will be carried out this year as far as the allotments in the budget go, and provision will be made in the next year's budget for the completion of the works.

5. A copy of the Local Fund Board's resolution is enclosed.

ENCLOSURE No. 7.—Extract from Proceedings of Local Fund Board.

Proceedings of the Madras Government, Financial Department,
24th August 1875.

THE sanction of Government will be requested for the transfer of the old Munsif's Court at Dachepalli to the Local Fund Board. The sale of the materials of the building was sanctioned in G. O., Public Works Department, dated 21st August 1874, No. 2,360; and they are valued at Rupees 90 in the estimate now submitted. It is scarcely worthwhile to demand this sum from the Local Fund Board, who need the building for a charitable purpose.

2. As regards the plans and estimates now submitted, the Board observe that no wards for in-patients are provided, but quarters for an Assistant apparently are. The Hospital Assistant will probably be a native and could quarter himself elsewhere, and if there are to be no in-patients, the advantage of having him resident in the dispensary-building is not apparent. The plans are said to have been suggested by the Surgeon-General, but the Board desire further explanation before passing them.

No. 172. ORDER THEREON, 24th August 1875, No. 1715.

The Governor in Council sanctions the transfer of the old Munsif's Court at Dachepalli and site to the Local Fund Board without payment for the estimated value (Rupees 90) of the materials.

2. As regards the actual erection of the proposed Dispensaries, the Board will suspend action in the matter, pending the settlement by Government of a standard plan for the purpose.

3. Orders have been issued on the subject in the Public Works Department.
