Read the following Proceedings of the Madras Government, dated 16th June 1875, No. 1,294, Financial Department :—

ABSTRACT.—*Local Funds, Education.*—The rates of fixed pay for the masters of certain Local Fund Elementary Schools in the Bellary District sanctioned with remarks.

COMMUNICATED to the President of the Local Fund Boards, Bellary.

2. The Board note with regret the decision of Government in paragraph 2, which amounts to an abandonment of the attempt to utilize and improve the masters of the indigenous schools of the country. In G.O., F. D., dated 15th May 1875, No. 1,058, Government fully approved a suggestion of the Board's exactly the opposite of that now made by the Director. In any case, the Board trust that Government will be pleased to direct that a liberal period, say two years, shall be allowed to pial schoolmasters now engaged in teaching to pass the test required.

No. 181. ORDER THEREON, 26th August 1875, No. 1720.

The decision passed by Government in G.O., dated 15th May 1875, No. 1058, to the effect that it was not necessary to confine the appointments in question to holders of 5th Grade Certificates is not inconsistent with the G.O., dated 16th June 1875, No. 1294, which ruled that teachers so appointed must pass the 5th Grade Test subsequently. In issuing the order last named, it was the intention of Government to allow a reasonable time for the purpose of passing the test.

2. The general question of the utilization of Pial Schoolmasters in the furtherance of elementary education will shortly be before the Board, when they can give their opinion on this subject at large.

Last I think the Govt. meant to approve on 15th May was that the Commissioner of 5th Grade of Tr. Schools might employ as L. F. School masters in the contract system. X that any Govt. 5th Grade teachers might be utilized for Aided school-teaching material

On 16 June. I think they intended to approve the subsequent passing of the 5th Gr. Exam. as a condition in subsequent for confirmation of that a reasonable time should be allowed for the purpose -

In the case of some new Local Fund schools at Vizagapatam the Govt (G. O. 6th May 1875, No. 1058) resolved that it was not necessary to have 5th grade teachers - In this case (G. O. 16th June 1875, No. 1294) it has been ruled that they are necessary. The old Fund teachers are consequently disqualified. In order to appointed must pass the 5th grade test subsequently. In issuing the Order I cannot remember it was the intention
