Municipal—Drainage.

No. 234. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 23rd January 1875, No. 581 :—

Audit Department.

I have the honor to report that Mr. W. Clark has been allowed pay at Rupees 2,000 per mensem, on the authority of G.O., No. 2066, dated 9th December 1874, and to request instructions as to whether the payment is to be debited as a Provincial charge, or held as an advance to be recovered from the Municipality. In the former case the charge would be a Public Works item, and the payment might be transferred to that department.

No. 235. ORDER THEREON, 29th January 1875, No. 173.

The Accountant-General is in error in saying that "Mr. W. Clark has been allowed pay at Rupees 2,000 per mensem." Mr. Clark's engagement was to receive as remuneration £3,000 inclusive of his passages out and home and all other travelling and incidental expenses of any kind. Of this sum, he received an advance of £500, and he was to draw at the rate of £200 per month during his residence at Madras, "the balance" to use his own words "to be paid on completion of the three months' service."

2. The payments made to Mr. Clark and for the establishment employed under him will for the present be regarded as an advance subject to adjustment hereafter.
