No. 238. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 20th January 1875, No. 41 :—

G.O., No. 527 of 30th March 1874, communicated to me a request from the Controller-General that a Register be kept of Officers lent or transferred to Foreign Governments. Accordingly in my letter No. 5637, of 1st September 1874, I sent to the Account Branch the required Register of Medical Officers so transferred, and subsequently an explanatory letter giving my opinion as to the transferred officers who should, and those who should not, be exempt from payment, and what bodies should pay for such transferred officers, showing also in paragraph 4 the name of of Native-Surgeon Jesudasen, who, in my opinion, should pay the instalments required for his pension.

2. The Military Account Branch, coinciding in the views expressed in the third and fourth paragraphs of my December letter, suggests that application should be made by me to Government on the subject, with a view to Municipalities, &c., being called on to pay the subscriptions towards those Funds for those who are not benefitted by the transfer, and I now therefore submit copy of my letters with that object.

No. 239. ORDER THEREON, 29th January 1875, No. 175.

The Medical Subordinates referred to are lent for service in charitable dispensaries, and as such count service as if under Government under the provisions of Section 36 (*d*) of the Civil Pension Code.

SIR,

No 3685 of 10th Decr 74.

In enclosing the Accountant Generals List received with your letter entered in the Margin, I have the honor to annex a Statement explanatory of the cause of certain names not appearing in my List dated the 1st September last.

2 There are many names in my List which are not found in that furnished by the Accountant General, but that may in some measure be accounted for by the fact that this Office List was brought up to date, while the other probably referred to an older period, still that does not account for the omission of the names of individuals long in Municipal Employ, like for instance Native Surgeon Jaendasen Pillay, and it would be advisable therefore that you put yourself in further communication with the Accountant General respecting the omissions.

In

3 In para 3 of your letter it is mentioned that Apothecary Quinn of Vizianagrum Rajahs Dispensary, and Assistant Apothecary Gunthor under the Cochin Government, are the only two who are contributing 20 P cent of their Pay in accordance with the existing Regulations. These two are the only Warrant Officers who from choice elected other than the Service of the Madras Government, and are consequently bound to contribute towards their absentee and Pension Allowance. All the rest - Warrant and Hospital Assistants Officers - who are in Dispensaries belonging to Municipalities and Local Fund Boards, stand posted to their respective charges by order of the Commander-in-Chief, and derive an advantage which they would not equally enjoy in the Service of the Madras Government, and if these individuals be asked to contribute towards their leave and Pension allowance, they would at once apply to be transferred to Govt institutions where both leave and Pension Allowances are guaranteed to them by Government, without their having to contribute towards the same out of their monthly Salaries. These individuals are simply performing certain duties allotted to them by authority, and it is not competent for them to refuse to serve wherever they may be ordered to do so. In my opinion, therefore, these Officers cannot be objected to, to contribute the 20 per cent required

by the Resolution of the Government of India, but the Parties employing them, should, in my opinion pay that per centage on behalf of the Officers employed by them.

4 Native Surgeon Jeendasoon, Municipal Officer of the town of Madras, is an exception to this rule. He retains his connection with the Municipality from choice, and is a considerable pecuniary gainer thereby, and ought like Messrs Quinn and Gunthor to contribute the percentage. Mr Gunthor has since resigned his connection with the Madras Government.
