No. 37. Read the following Proceedings of the Board of Revenue, dated 17th August 1875, No. 2314 :—

Read the following letter from A. WEDDERBURN, Esq., President of the Local Fund Board, Coimbatore, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, dated 4th August 1875, No. 14.

THE cusbah of Palladum is the centre of an important taluq, and likely to increase in size. There is no dispensary within twenty-three miles. It is desirable that one should be instituted at first on a small scale; the old Taluq Cutcherry could be utilized, and the only expense at present would be the Medical Subordinate's salary, one-fourth of which would be paid by Government on account of medical aid to the police and other public servants, medicine and furniture. The inhabitants being convened at a Meeting held by the Collector in December last consented to raise Rupees 1,500.

2. The matter was laid before the Local Fund Board, who have approved the establishment of a dispensary; copy of their Resolution is herein enclosed.

3. Funds for the needful expenditure have also been provided in the current year's Budget.

4. I have the honor to request the sanction of Government to the proposed arrangement.

5. The Surgeon-General may be applied to for a Native Passed Hospital Apprentice being detached for duty at Palladum, if any have been lately passed out of the College.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

THE Budget of 1875-76 contains a provision of Rupees 1,184 for the Palladum Dispensary. No further sanction of Government is required for the establishment of the institution.

2. Sanction is, however, requested for the utilization for the present at any rate of the old Taluq Cutcherry for the purposes of the dispensary.

3. The Board presume that the local contribution of Rupees 1,500 is towards the erection of a building. The President should have explained for what purpose it was raised.

4. The Surgeon-General is requested to detail a Native Hospital Apprentice for the charge of the dispensary.
