Local Funds—Roads.

No. 83. Read the following Proceedings of the Board of Revenue, dated 25th August 1875, No. 2404 :—

Read the following letter from W. LOGAN, Esq., Acting President of the Local Fund Boards, Malabar District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 9th July 1875, No. 301 :—

GOVERNMENT, in their Order, No. 1,146, dated 26th May 1875, sanctioned an estimate, amounting to Rupees 6,300, for repairing certain bridges on the Great Western Road in the Walluvanad Taluq. The District Engineer has since submitted a revised estimate for Rupees 12,010, and the Local Fund Board have approved of the same at their last meeting.

2. The District Engineer attributes the increase to the inclusion of six more bridges, which also now require repair, and to the original estimate having had to be revised to allow of more extensive repairs than was at first contemplated.

3. As the bridges are situated on a road on which the traffic is heavy, and as the District Engineer will be able to put most of the chief ones in repair with the allotment of Rupees 6,300 already sanctioned, I have the honor to request early sanction of the revised estimate.

ENCLOSURE No. 1.—Estimate.

ENCLOSURE No. 2.—Specification.

THE revised estimate, amounting to Rupees 12,010, is submitted for the sanction of Government. The necessity for the revision is explained by the President.
