Proceedings of the Madras Government, Financial Department,
10th September 1875.

Local Funds—Education.

No. 87. Read the following Proceedings of the Board of Revenue, dated 17th August 1875, No. 2310 :—

Read the following letter from H. ST. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 27th July 1875, No. 1,313 :—

I HAVE the honor to acknowledge the receipt of Board's Proceedings, No. 1,738, dated 23rd June 1875.

2. The Local Fund Board, before whom the proceedings was laid at a meeting held on the 19th instant, regret to find that their proposals to establish Middle-class Schools in the Circle have not been supported by the Board of Revenue. In Ryotwar districts, where all alike enjoy the equality of frogs under a paving stone, no doubt there are sound objections to such grants. Here when a middle-class exists, and pays most of the money, one Middle-class School for a taluq is desired, and so far the Local Fund Board remain of their original opinion.

3. The Local Fund Board gave no special reasons for breaking the principle involved, inasmuch as they believed that Government have sanctioned similar arrangements.

4. Government Orders, 4th October 1872, No. 1,331, and 20th December 1872, No. 1,714, appear to relate to the transfer of existing Middle-class Schools to Local Fund Boards, the Government grant to them being continued.

5. In paragraph 5 of the Board's Proceedings under reply, the Board state that it was proposed to raise the school at Srungavarapucotta to the middle-class, but I beg to point out that no such proposal was ever submitted, and it will be seen from paragraph 17 of my letter recorded in the Proceedings that application was only made to provide funds for the school started in the village under G. O., No. 2,142, dated 22nd December 1874. This order sanctioned the entertainment of Lower-class School only. The Local Fund Board now desire to set apart Rupees 250 for the purpose, including cost of furniture, &c.

6. The Deputy Inspector of Schools having brought to notice that there is no necessity for the Lower-class Schools* at Yellamanchelly and Nursipatam, where there are already aided Middle-class Schools, the Local Fund Board have resolved to transfer the grants for these schools to the schools to be established at Booradipeta and Ramatherthalu. These two villages are in the taluq of Vizianagram, and there are nearly 1,000 inhabitants in each of them. The inhabitants are very anxious to open schools in their villages, and the Inspector of Schools strongly recommends that the school at Booradipeta be open. Sanction is solicited to this proposal, as also to the transfer of funds above referred to.

Sanctioned in G. O., No. 1,243, dated 9th June 1875.

7. From the latter part of paragraph 7 of Board's Proceedings under notice, it will be seen that there will be left a balance of Rupees 6,565 unappropriated in the General Fund. Of this, a sum of Rupees 250 will be allotted for the Srungavarapucotta school (paragraph 3 above), and a further sum of about Rs. 250 will be required for the construction of a dead-house to be attached to the

Civil Dispensary at Nursipatam. The Local Fund Board have called on the District Engineer for an estimate for a tiled-roof building at a cost not exceeding Rupees 250, and I therefore request the Board will place the amount at the disposal of the Public Works Department.

8. There will still remain unallotted a sum of Rupees 6,065, which will be taken as the estimated balance at the close of the year.

9. When submitting the current year's Budget application was made to transfer Rupees 48,000 from the General to the Road Fund; but Government limited their sanction to a transfer of the amount of the General Fund balance, then estimated at Rupees 35,000. But it so happened that the opening General Fund balance of the current year amounted to Rupees 58,726-8-0, or Rupees 23,726-8-0 in excess of the estimated amount. The Local Fund Board have now resolved to transfer this sum to the Road Fund, and to solicit the sanction of Government for the same. They submit that sufficient provision has been made in the current year for Educational, Medical, and Sanitary charges, and that no further money from the General Fund to any of the above heads can usefully be allotted or expended. This district is sadly in want of good roads, and the following works, which have already received the sanction of Government, have been left in abeyance for want of funds:—

No.	Name of Works	Amount of Estimate.	Date of Sanction.
		RS.	
1	Completing the cross road from Vizianagram *via* Chittavalsa to the branch road from Chittavalsa.	5,900	G. O., F. D., No. 1,902, dated 27th Dec. 1873.
2	Putting in thorough repair the portion of the road from Palconda towards Chicacole.	23,070	G. O., F. D., No. 705, dated 27th April 1874.
3	Putting in thorough repair the portion of the road from Jagannadhapur to Jarjunghy.	6,570	G. O., F. D., No. 768, dated 4th May 1874.
4	Completing the road from Palconda to Parvatipur.	37,730	G. O., F. D, No. 27, dated 8th Jan. 1875.
5	Widening and metalling the road from Ramabadrapuram to Salur.	10,900	G. O., F. D., No. 493, dated 4th Mar. 1875.
6	Special repairs to the portion of the Trunk Road between Tuni and Nakkapally.	14,400	G. O., F. D., No. 1,346, dated 14th June 1875.

Nos. 4 and 6 are very important works, as also the Trunk Road from Koshta to Chicacole, for which there is an allotment of Rupees 4,000 in the current year's Budget. Moreover, the original allotments for the works noted in the margin have been since reduced in the printed budget, paragraph 2 of Board's Proceedings, No. 670, dated 20th March 1875.

	From. RS.	To. RS.
1. Road from Vizagapatam to Vamulavalsa	5,000	3,180
2. Completing road from Cheepurupilly to Palconda ...	6,000	3,000
3. Completing road from Nursipatam to Polaveram to Trunk Road	5,000	4,000

10. I have therefore the honor to request the Board will obtain the sanction of Government for the transfer of the balance of Rs. 23,726-8-0 from the General

to the Road Fund, and for the utilization of this amount by the Public Works Department as hereunder particularized:—

		RS.
1.	Special repairs to the portion of the Trunk Road between Tuni and Nakkapally	5,000
2.	Completing the road from Palconda to Parvatipur	8,000
3.	Completing the Great Northern Trunk road from Koshta to Chicacole	4,000
4.	Completing the road from Cheepurupilly to Palconda	3,000
5.	Do. do. Nursipatam to Polaveram to Trunk Road.	1,500
6.	Construction of a bridge near Uddandapuram on the Trunk Road between Nakkapally and Tuni	1,785
7.	Minor New Works	441½
	Total ...	23,726½

Nos. 1 and 2 are works for which estimates were sanctioned by Government (paragraph 9 *supra*), but no allotments made in the current year's Budget, while No. 3 appears as item 9 in the Budget for 1875-76, Part I. For Nos 4 and 5, *vide* the latter part of paragraph 9. The estimate for the bridge at Uddandapuram (No. 6), amounting to Rupees 1,785, was submitted for sanction with my letter No. 1,307, dated 27th instant.

The Board observe that Government in G. O., 23rd July 1875, No. 1527, have disallowed the proposals of the Local Board for the establishment of Middle-class Schools. It is thus superfluous, were it otherwise necessary, to discuss the arguments now brought forward in favor of the measure.

2. Allotments of Rupees 250 for the Lower-class School at Srungavarapucotta, and of Rupees 250 for the erection of a dead-house at Nursipatam, are sanctioned from the General Fund, and the Accountant-General is requested to place the last-mentioned allotment at the disposal of the Public Works Department.

3. The sanction of Government is requested for the establishment of Lower-class Schools at Booradipeta and Ramatherthalu in lieu of Yellamanchelly and Nursipatam.

4. The Local Board propose to transfer the sum of Rs. 23,726½, the excess of the actual over the estimated balance of the General Fund, to the Road Fund for certain works detailed. The grounds of the application are that Government intended to transfer the whole balance, that everything that can be done has been done to utilize the funds available in the current year under General Fund, and that the Road Fund works are urgently needed. The Board support the application, and, if Government allow it, will pass the necessary orders as to the allotment of the money. Early orders are requested.
