Local Funds—Education.

No. 143. Read the following Proceedings of the Board of Revenue, dated 7th September 1875, No. 2508:—

Read the following letters:—

From H. S. THOMAS, Esq., President of the Local Fund Boards, Tanjore District, to E. THOMPSON, Esq., Acting Director of Public Instruction, dated Vallam, 20th August 1875, No. 600.

The Local Fund Board of the Tanjore Circle having at their last meeting sanctioned the abolition of the Local Fund School at Mahadavapatam (copy of their resolution herein enclosed), I have the honor to request that you will be good enough to obtain the sanction of the Board of Revenue and Government thereto.

2. There has been a gradual decline in the attendance of boys in the school from thirty-five in March 1875 to seventeen in May, when the school was inspected by the Deputy Inspector. The reason for the low attendance is chiefly attributable to the fact of there being two other results schools in the neighbourhood, at a distance of about a mile, under the better management of a Missionary. It is not, therefore, necessary that a Local Fund School should be maintained at this place; the school may be put on the results-grant system, which the master is quite willing to accept.

Recommended for sanction.

Madras, 25th August 1875.

(Signed) E. THOMPSON,
Acting Director of Public Instruction.

Enclosure No. 1.—Extract from Proceedings of Local Fund Board.

From the same Officer, dated Vallam, 20th August 1875, No. 601.

In forwarding, herewith, a resolution of the Local Fund Board of the Tanjore Circle at their meeting held on the 7th instant, I have the honor to request that you will be good enough to obtain the sanction of the Revenue Board and Government for the abolition of the Local Fund School at Vadugur, in the Mannargudy Taluq.

2. The school was established last year. The present strength of the school is only eleven, of whom there were only six or seven boys in attendance for the last two months, and, moreover, there seems to be a strong faction against the school, and it is therefore a mere waste of public money to maintain a school at this place.

3. The Deputy Inspector says that he will get up a results system school there if possible.

Recommended for sanction.

2. These cases seem to be examples of the effect of precipitancy in establishing schools under the direct management of Local Fund Boards.
