2. This road has never been properly constructed, and the necessity for it is explained in the Vice-President's letter above alluded to.

3. The Local Fund Board of the Rajahmundry Circle have decided upon the necessity of constructing this road.

4. I have therefore to request that the sanction of Government may be obtained to the work at an early date, and that a sum of Rupees 5,000 may be placed at the disposal of the Superintending Engineer of the 1st Division from the Road Fund Reserve* of that circle, to enable that officer to commence the work at once.

* Of the current year.

5. The estimate seems to have been before Government—see Government Order, No. 116, dated 12th April 1872—but I do not know what has been done about it.

THE plans and estimate amounting to Rupees 3,50,000, for the construction of a portion of the Great Northern Road from Rajahmundry to Tuni (length 62⅛ miles) are submitted for the sanction of Government.

2. The estimate is made up of the following items:—

Total...	3,50,000

3. The Vice-President states that the road has never been properly constructed, such work as has been executed having been done from time to time out of the annual maintenance grants.

4. On the receipt of the sanction of Government to the estimate now submitted, the Board will allot the requisite fund.
